THE TIMES-DEMOCRAT

The New Orleans Democrat and New Orleans Times, Consolidated December 1, 1881.

A representative newspaper must find its way into every business establishment and to every fireside around which clusters even the most ordinary intelligence. Is there any question in the minds of the people living in the South-western and Gulf States that the Times-Democrat is that paper; that it embodies all of the elements and possesses all the qualities that they can reasonably expect to find in a favorite journal?

The enterprise, push and progress of the New Orleans Democrat during the past eighteen months have become proverbial. No journal published in the South has made such progress in the same period of time. The New Orleans Times has been for many years recognized as one of the leading journals in the country.

The consolidated issue, THE TIMES-DEMOCRAT, will embody the best elements, the highest virtues of both. It will simply be, without question, the ideal paper of the business man, the mechanic, planter, farmer, the family, the people of all classes and conditions. It is waste of time to enumerate the excellencies of its issues. It is the embodiment of the modern newspaper. Every department in it has been raised to the highest standard. The Daily or the Weekly Times-Democrat should reach every place of business and every home in the southwestern and Gulf States.

The subscription rates for the Daily are as follows, payable in advance: One year (every day) \$12 Six months \$6 Three months \$3 One month 1 Postage prepaid.

The rates for the Weekly are as follows: One year (Saturdays) \$1 50; Six months, 75 cents; three months, 50 cents. Postage prepaid.

The Weekly is never less than twelve pages in size, and is really the best and cheapest weekly paper published.
