

SHORT STOPS.

Mr. John Roche warns trespassers not to enter his premises. See notice.

It is now a criminal offense to get caught killing partridges, quails or pheasants.

We learn that several "cooters," of various sizes, are stopping at one of our prominent hotels.

Heating stoves are now ready to be taken down and put in a dry place for future reference.

Rev. Geo. T. Vickers is expected to preach at Page's School House, to-morrow, (Sunday) at 11 A. M.

The advertisement of Mrs. F. Beaucoudray's fruit and candy store will be found in another column.

We have been too busy to copy off the Court proceedings this week. Will try to give them next week.

"Orange Grove Cottage," Chas. Aubry, manager, is a new summer resort, recently opened at Bayou LaCombe.

We predict clear, warm, but very windy weather, followed by thunder, lightning and rain, for yesterday and last night. And the end is not yet.

Has anybody heard from those petitions for a money order office and daily mail, since they were forwarded to Washington? The dispatches from Ponchatoula are silent upon the subject.

It is with feelings of honest pride and pleasure, and fond anticipation, that we make the following important announcement: There will be fresh beef in market to-morrow morning, and no mis-steak.

Mr. Lasset, and a number of others, bought all the Lake fish and crabs, last Sunday morning, before we arrived at the wharf, and we "got left" as usual. We will try to be on hand at an earlier hour, on the 1st of April next year.

Religious.—Covington Circuit Quarterly Conference will be held at Mandeville, on Saturday and Sunday, April 14 and 15. The Presiding Elder, Rev. B. S. Reyner, and Rev. N. B. Young will be present. Conference will be held on Saturday, and there will be preaching both days. The public are respectfully invited to attend.

A short time ago two well-known young Covingtonians, "H. A. M." and "E. J. W.," while returning from a trip to Shady Grove, the water being very high at Bogue Chitto ferry, attempted to cross the river in a skiff, which capsized with them. Not being able to swim, they conceived the novel idea of striking bottom and footing it to the other shore. So they shut their eyes and proceeded on their way. When they thought they were near land, they opened their eyes and found themselves in the middle of Mr. Abney's cornfield, about two miles from the river.

OUR CROAKER WHIP.—We have in our office a typical whip, significant of the products of Washington and St. Tammany parishes. The handle, twelve feet long, consists of a cotton stalk, taken from the field of Mr. N. W. Ball, near Shady Grove, in Washington parish. This cotton yielded four bales on two acres, without the aid of fertilizers. The lash of the whip, ten feet long, is made of St. Tammany parish jute, raised by Mr. J. A. Schuler, near Madisonville. We invite all croakers about the worthlessness of the piney woods land to come and receive a new mental application from this magic whip. It won't hurt, and it may cure their "croak."

37 Walker St., Baltimore, Dec. 1868. For six years I have been a great sufferer from Blood Disease, Dyspepsia, and Constipation, and became so debilitated that I could not retain anything on my stomach, in fact, life had almost become a burden. Finally, when hope had almost left me, my husband seeing Brown's Iron Bitters advertised in the paper, induced me to give it a trial. I am now taking the third bottle and have not felt so well in six years as I do at the present time. Mrs. L. F. GARRETT.

BROWN'S IRON BITTERS will have a better tonic effect upon any one who needs "bracing up," than any medicine made.
