

THE ST. TAMMANY FARMER.
COVINGTON, JULY 21, 1883.
DOG TRAINED FOR TEXAS SOCIETY.

Recently a wagon, drawn by a yoke of long-horned Texas cattle, halted at Lafayette street. The wagon contained a good-looking woman, seven children and considerable plunder. A man, a boy, and a dog that had run to tail, were the adjuncts. The party was from Texas, and they were returning to their home in Decatur county. An Alderman of the city, who had passed many years of his life in the Lone Star State, approached the wagon. He said to the woman: "From Texas, I presume."
"Yes, sir."
"Didn't like the country?"
"No, sir."
"Didn't you like the climate?"
"Oh, yes."
"Did you have good health out there?"
"Yes, sir."
"How about the crops?"
"Oh, we made splendid crops."
"Well, then, ma'am, what on earth is your objection to Texas?"
"Why, sir," she replied, "I could not stand the society in that rough country," and she turned to the small boy, her son, and cried:
"Drive that d-d dog out'en the front pot; don't you see he's got his snout in the vittles!"

STRENGTH

to vigorously push a business, strength to study a profession, strength to regulate a household, strength to do a day's labor without physical pain. All this represents what is wanted, in the often heard expression, "Oh! I wish I had the strength!" If you are broken down, have not energy, or feel as if life was hardly worth living, you can be relieved and restored to robust health and strength by taking **BROWN'S IRON BITTERS**, which is a true tonic—a medicine universally recommended for all wasting diseases.

Dr. N. Fremont St., Baltimore
During the war I was injured in the stomach by a piece of a shell, and have suffered from it ever since. About four years ago it brought on paralysis, which kept me in bed six months, and the best doctors in the city said I could not live. I suffered fearfully from indigestion, and for over two years could not eat solid food and for a large portion of the time was unable to retain even liquid nourishment. I tried Brown's Iron Bitters and now after taking two bottles I am able to get up and go around and am rapidly improving.
G. DECKER.

BROWN'S IRON BITTERS is a complete and sure remedy for indigestion, Dyspepsia, Malaria, Weakness and all diseases requiring a true, reliable, non-alcoholic tonic. It enriches the blood, gives life to the muscles and tone to the nerves.

POSTETTER'S
CELEBRATED
STOMACH BITTERS

It should be just if the stomach, liver and bowels are affected, to adopt the sure and certain remedy, Postetter's Stomach Bitters. Disordered bowels, indigestion, liver complaint, chills, malaria, and all the various bodily troubles, if the stomach is the cause, can be cured by using this medicine.

Dr. E. J. Kendall & Co., Gents:—Having used a good deal of your Kendall's Spavin Cure with great success, I thought I would let you know what it has done for me. Two years ago I had a speely colt as was ever raised in Jefferson county. When I was breaking him he kicked over the cross-bar and got fast, and tore one of his hind legs all to pieces. I employed the best farriers, but they all said he was spoiled. He had a very large thorough-pin, and I used two bottles of your Kendall's Spavin Cure, and it took the bunch entirely off, and he sold afterwards for \$1800. I have used it for bone spavins and wind galls, and it has always cured completely and left the leg smooth.
It is a splendid medicine for rheumatism. I have recommended it to a good many, and they all say it does the work. I was in Witherington & Kneeland's drug store, in Adams, the other day, and saw a very fine picture you sent them. I tried to buy it, but could not; they said that if I would write to you, that you would send me one. I wish you would, and I will do you all the good I can.
Very respectfully,
E. S. LEMAX.
