The Covington bridge was badly disintegrated by the high water, and rendered impassable. Workmen are now busy repairing it.

THANKS.—We desire to return thanks to the many friends who assisted in making our "first appearance" a success.

**TO OUR ABITA SPRINGS SUBSCRIBERS.**

The FARMER will hereafter be mailed to Abita Springs Postoffice on the Saturday morning train, which leaves Covington at half-past six o'clock. Our subscribers who receive their papers from that office should be able to get them by eight o'clock the same morning.

The United States postal laws require that newspapers should be delivered with the same promptness as letters, and if our subscribers, at any postoffice in the parish, fail to receive their papers promptly, they will confer a favor by notifying us, so that we can take the proper steps to have the matter remedied at once.

The Abita Social Club gave its first soiree dance on Saturday evening, Feb. 17, in the beautiful decorated parlors of the Morin Cottage. Guests were present from New Orleans, Covington, Florenceville, German and Liberty Settlements. About fifteen couples were present, notwithstanding the unfavorable weather, which prevented many other invited guests from attending, and many regrets have been expressed by the unfortunate weather-bound. Refreshments were served about mid-night, and the guests departed later, well pleased with their entertainment. The decorations were in charge of Mr. Eugene Morin, who as a decorator, is a grand success. Mr. Morin was also in charge of the Arrangement Committee and proved a success in this position. The Club will repeat this entertainment after Lent with a grand ball.

The officers of the Club are as follows:  
L. J. Plummer, President.  
J. H. Benson, Vice President.  
P. A. Leach, Secretary and Treasurer.

**NOTICE.**

**JOHN J. STROBLE,**  
Sheriff and ex-officio Tax Collector.

Public Road Overseers will hereafter receive their commissions direct from the members of the Police Jury for their respective wards. These commissions must be served by the members in person, and most of them are now performing that duty. If the road overseers and the road hands perform their duty, we will soon have good roads, and it is a notorious fact that under the existing public road law, the country roads are always in fine condition, rain or shine, because every man subject to work performs his duty. Ahem!

DIED.—Mr. E. Wash Vinet, the well known and popular traveling salesman, died in Baton Rouge, last Saturday, aged 45 years. He had many friends in this section, who will regret to learn of his death.

THREE INQUESTS.—The body of Eph. Eugene, colored, was found in the woods near Demourelle's brickyard, last Tuesday, where it had laid for several days.

The body of a white man, supposed to be Mr. Hyatt, was found near the residence of ex-Sheriff Cook, last Saturday.

Justice Ed. R. Doyle held inquests on the above bodies, and the verdict was they died from exposure.

The body of Mr. Jas. Spell was found on his place, near Mandeville, last Wednesday. Coroner Heintz held the inquest. We have not heard the verdict, but suppose it was death from natural causes.

Circuit Court convened in Covington last Tuesday morning, and adjourned Wednesday, Judges Thompson and Strickland on the bench. The following decisions were rendered:
