Blue Stamps given and redeemed at Medals.

Two bales of new cotton arrived in New Orleans last Tuesday, from Texas Parish.

Mrs. L. Roubion, who has been seriously ill for several days, is now much better. We hope she will soon be restored to perfect health again.

Col. Hood's Regiment left Camp Caffery last Monday, and are now on their way to Santiago, on the City of Berlin.

Mr. J. W. Badaux, of the Central Pavilion, in Madisonville, and Mr. A. Perrin, paid us a pleasant visit last Tuesday.

The Slidell election, for Mayor and Aldermen, will take place next Thursday, August 4. See notice, in another column.

Rev. Joschim Widmer, O. S. B., is spending a few days in Covington. He is the guest of Rev. Jos. Koegler.

Mr. J. A. Smith, assistant secretary of Senator McEnery, arrived from Washington City last week, and is the guest of Mr. Ed. Brewster, of Madisonville.

There has been an unusual visitation of mosquitoes during the past week. This is probably owing to the fact that there is nothing left for them to feed on out at Camp Caffery.

Sheriff Stroble left last Saturday for Augusta, Georgia, to attend the funeral of his mother, who died last Friday night. His many friends here sympathize with him in his sad affliction.

Prof. Chas B. Hill, Principal of the Covington High School, which will open in September, arrived with his wife last week. They are stopping with Rev. M. G. Jenkins.

There will be a regular meeting of the Covington Musical and Dramatic Club next Thursday night, on which occasion the club will have a cake walk. All members are requested to be present and participate.

Mr. H. J. Smith and daughter Annie returned last Sunday from a week's visit to relatives and friends in Galveston and Houston. Miss Laura Raily, of New Orleans, came over with them for a short visit.

Judge J. S. Bossier has tendered to the Government sufficient grounds, at and around Abita Springs, to accommodate at least 100,000 men free of cost. There is no healthier spot for a camp to be found anywhere, and the government would do well to accept his most liberal offer.

Mr. Frank W. Hosmer, Superintendent and Secretary of the School Board, has gone to Hot Springs, Ark., and will be gone two months. During his absence, Mr. Jules B. Maille, Deputy Clerk of Court, will attend to the issuing of warrants to the public school teachers.

If the soldiers stationed at Miami Camp, in Florida, which has proved to be a death trap of fatal fever, were to form in line and march bodily away from there, and seek a more healthy location, they would do nothing more than right. Such action would be contrary to military discipline, but they would have the moral support of the entire country. The boys from St. Tammany Parish are stationed there.

The poem, in memory of the late Lieut. "Bertie Sneed," from the pen of his comrade, Sergeant C. Dable, Company A, First Regiment, Louisiana Volunteers, is replete with fine sentiment and patriotic utterance. Sergeant Dable is recuperating in Covington, from the effects of a severe cold contracted in the service, and deeply feels the loss of his popular and universally beloved comrade in arms. In another column will be found the poem, which will be read with interest.

Malaria is endorsed by best Physicians and guaranteed to cure Chills, Fever and Ague. All druggists or from Moffit-West Drug Co., St. Louis.

NO CAKE WALK.
The manager of the White Cake Walk Company writes us that he will not give a performance tonight in the Town Hall, as advertised last week, owing to the fact that the license, \$50 00, and other expenses, would not justify him in bringing the company here.

Flag Raising in Madisonville.
Last Sunday, July 24, was a gala day in Madisonville. Everybody turned out en masse to observe and witness the patriotic ceremony of raising the United States flag in front of the Knights of Pythias Hall. Addresses were made by prominent speakers, and patriotic airs were rendered by a number of children. The Central Pavilion String Band furnished excellent music for the occasion. The Hall and Pavilion were tastefully decorated, and after the ceremony there was dancing and refreshments. The pole is 95 feet high, and the flag is 10 by 20 feet.

Mr. Chas. C. Dable, who is here for the benefit of his health, was assigned to the distinguished post as a guard of honor over the remains of Lieut. Sneed, his late comrade in arms, while they were lying in state in the Council Chamber, City Hall, New Orleans. Mr. Dable's physician forestalled the trip and advised him not to under take the strain of endurance that this sorrowful duty would necessarily involve. He reluctantly remained with us during the period that the city of New Orleans en masse paid tearful homage to its heroic dead.

Our baby has been continually troubled with colic and cholera infantum since his birth, and all that we could do for him did not seem to give more than temporary relief, until we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy. Since giving that remedy he has not been troubled. We want to give you this testimonial as an evidence of our gratitude, not that you need it to advertise your meritorious remedy.—G. M. Law, Keokuk, Iowa.

For sale by V. H. Frederick, Covington, and R. B. Paine, Mandeville.

Mrs. R. A. Ford, of Jackson, Miss., arrived last Saturday, on a visit to relatives here.

Mrs. Eva Williams, widow of the late Mayor Geo. E. Williams, is visiting her sister, Mrs. Dr. C. Z. Williams.

Camp Meeting.
The annual Camp Meeting will open at Talisker Camp Grounds on Friday, Sept. 9, and continue through two Sundays. Services will be held by the Presiding Elder, and a number of visiting ministers. The public are cordially invited to attend.

"I have used Chamberlain's Cough Remedy in my family for years and always with good results," says Mr. W. B. Cooper of El Rio Cal. "For small children we find it especially effective."
