

St. Tammany Farmer.

September 17, 1898.

ISSUED EVERY SATURDAY

Ask for Blue Stamps, at Medals. Too much rain again this week.

Cotton has been seriously damaged by the continuous rain of the past few weeks.

A civil term of the District Court will be held in Covington on the first Monday in October.

It is rumored that orange blossoms will make their appearance in town before the month has ended.

We understand there will be an entertainment in the Town Hall, in the near future, for the benefit of the M. C. B. Public Library.

The delegates elected last Thursday will meet at the Courthouse to-day, to elect four delegates to the Baton Rouge Convention, to nominate a candidate for Railroad Commissioner.

From all accounts, the only healthy camping place in the United States is Camp Caffery, near Covington. It should be made a permanent camp for United States troops.

Mr. Arthur Poireon, of Mandeville, has our thanks for a supply of fine large Lake shrimp. He brings up a quantity in the early morning, and they meet with a ready sale.

The practice of breaking and training wild horses on the public streets is a perilous one, and endangers the lives of men, women and children. We believe the Council would receive the cordial approval of the public by putting a stop to it.

The bog hole in the middle of the street, east of the Farmer's office, is a menace to man and beast. A few brick bats were sunk in it this week, which only made it worse. It should be drained off and filled up, before some animal breaks its leg or neck in trying to pass through it.

Campmeeting has been very materially interfered with by the wet weather, which caused a small attendance and dampened the ardor of the people. Some of those who attended last Sunday evening were compelled to remain there all night, on account of the storm. The meeting will close to-morrow.

MARRIED.—On Tuesday, September 13, 1898, at "The Oaks," Happy Jack, La., the residence of the bride's mother, by Rev. Edmund A. Neville, Mr. Monticello William Jay, of Madisonville, La., and Miss Ethlyn Brasler Williams.

We join the many friends of the happy young couple in wishing them joy and prosperity.

MARRIED.—Mr. Jas. S. Lea and Miss Ruby Hooper were married at Summit, Miss., on Wednesday, Sept. 15, at the residence of the bride's parents, the Rev. H. H. Messenger officiating. Mr. Lea is a rising young business man, popular and highly esteemed. Miss Ruby is the daughter of Mr. Chas. H. Hooper, and is noted for her many accomplishments and graces. The wedding was private, only a few intimate friends being present. The happy couple will make Summit their future home.

O'Connor, Jr., for the benefit of the Garden District School. A delightful time is assured, and there will doubtless be a large attendance. Admission, 10 cents.

Justices Will Be Scarcer

A justice of the peace, according to a recent act of the legislature, hereafter, before receiving his commission will have to stand an examination before a board of examiners to be appointed by the school board. If he can show that he fully understands the English language the Secretary of State will be notified and the commission will be issued, otherwise not. With the salaries of justices reduced to almost nothing, it will be hard to get competent men to agree to serve even without undergoing an examination. With the examination added many of the country wards will have no justices of the peace after the next general State election—Meridional.

A CRITICAL TIME.

During the Battle of Santiago. SICK OR WELL, A RUSH NIGHT AND DAY.

The Packers at the Battle of Santiago de Cuba were all Heroes. Their Heroic Efforts in Getting Ammunition and Rations to the Front Saved the Day.

P. E. Butler, of pack-train No. 3, writing from Santiago de Cuba, on July 23, says: "We all had diarrhoea in more or less violent form, and when we landed we had no time to see a doctor, for it was a case of rush and rush night and day to keep the troops supplied with ammunition and rations, but thanks to Chamberlain's Colic, Cholera and Diarrhoea Remedy, we were able to keep at work and keep our health; in fact, I sincerely believe that at one critical time this medicine was the indirect savior of our army, for if the packers had been unable to work there would have been no way of getting supplies to the front. There were no roads that a wagon train could use. My comrade and myself had the good fortune to lay in a supply of this medicine for our pack-train before we left Tampa, and I know in four cases it absolutely saved life."

The above letter was written to the manufacturers of this medicine, the Chamberlain Medicine Co., Des Moines, Iowa. For sale by V. H. Frederick, Covington, and H. B. Paine, Mandeville.
