Boque Palaya Grove No. 21
Meets on the first and third Saturdays
in the month, at 7:30 p. m., at Castle
Hall, E. of P. Covington, La.
Edward Trosald, Noble Arch.
F. B. Hearn, Secretary.

Civil Court was in session this
week, Judge Jas. M. Thompson on
the bench.

Workmen are engaged in erecting
the poles for the electric light
plant.

Milk shakes, ice cream and soda
water are commencing to make
their disappearance.

Mrs. E. Labat has our thanks for
a basket of delicious strawberries,
received last Thursday.

The assessment of New Orleans
this year will show an increase of
\$6,000,000 over last year.

Mr. Marcellin Daigle and family,
of Houma, La., have arrived and
moved into their residence in Covington.

Lots in the town of St. Tammany
are offered for sale, for a
short time, at the low price of five
dollars each.

Mr. T. S. McLaughlin, contracting
and consulting electrician,
of New Orleans, is a guest at Claborn
Hotel.

Mrs. W. F. Hoamer and
daughter, Miss Mary, spent this
week in Covington, the guests of
the Misses Jones.

Only three days remain in which
to slaughter wild turkeys. The
law for their protection will go
into effect next Wednesday, May 1.

Our Madisonville and Slidell
correspondents have interesting letters
in the paper this week. We hope
to hear from them often in the
future.

There was a good attendance at
the auction sale of lots in Abita
Springs last Wednesday, and a
number of lots were sold at good
figures.

WANTED TO PURCHASE—A
small house, or a vacant
lot, near Covington.
Address: Mrs. B.
Frederick's Drug Store.

Rev. F. G. Hocutt will preach in
the Methodist Church to-morrow,
(Sunday) morning, and evening.
The public are cordially invited
to attend.

The ice man will soon be making
his rounds. Now is the time to
examine your refrigerators, and see
that they are in proper trim for a
cold reception.

The oil fever has taken possession
of the State, and we would
not be surprised to hear of some
enterprising man boring for oil in
St. Tammany Parish.

Mr. T. J. Lacroix, of Birmingham,
Ala., arrived Wednesday, accom-
panied by his little daughter,
and will remain a few days, on a
visit to his parents here.

The complimentary ball given
by Abita Springs Fine No. 1,
at Conard's Hall, last Saturday
night, was well attended, and all
present had an enjoyable time.

Anonymous communications will
not be published in the FARMER,
under any circumstances. It is an
established rule, that all correspond-
ence must be signed by the name
of the writer.

Melrose Cottage, in the new
building erected by Mr. Chas. L.
Smith, is now open for the reception
of guests. We call attention
to the advertisement in another
column.

The town has been full of school
teachers this week, attending the
sessions of the teachers institute,
which was held in Castle Hall,
under the auspices of Prof. J. E.
Chambers, State Institute Con-
ductor.

Several communications, re-
ceived late, are unavoidably crowd-
ed out this week. They will ap-
pear next Saturday. Letters should
reach us by Tuesday to insure
prompt insertion.

Dr. L. E. Myers, wife, son and
mother, of Thibodaux, are stop-
ping at Claborn Hotel. They
have been greatly benefited during
their stay here, and are well pleased
with our town and surrounding
country.

The heavy rains and cold snap
of last week was a repetition of
what we had at the same time last
year. No great damage was done
to crops, except cotton, which in
some localities will have to be re-
planted.

Mr. John C. Tanner, special
agent, of Exchange, Ky., a railroad
man of long experience, who has
spent the winter in Covington,
will leave for his home next week. He
has been greatly benefited by
our town, and will probably re-
turn with his family next winter.

Who Will Use Light?

R. S. Stearns & Co. are building
the Electric Light Plant, for
the St. Tammany Ice and Mfg. Co.
If you wish to have your
house wired call on local phone
No. 73, and a competent Electrician
will call on you and make you
an estimate on the cost of lights,
also cost of wiring your house.

The Plant will be in operation
between June 1st and 15th

Superintendent J. B. Lancaster
gave an enjoyable reception to the
public school teachers at Castle
Hall last Tuesday night. The
program was as follows:

Recitation—"My Lost Pantaloon,"
by J. B. Lancaster.
Reading—"Knowledge," by
Marian Bankston.

Vocal Solo—"If Dreams Come
True," by Miss Lucille Guyol,
accompanied on the violin by Mr.
Hurrie.

Recitation—"Edwin Gray," by
Miss Etta Bohrus.
Violin Solo—By Mr. Herrie.

The reception was pleasantly
closed with dancing, which was
enjoyed till a late hour. Choice
music was furnished by Messrs.
H. Herrie, A. Gayol, Claude Cham-
baga and W. J. Henry.

At a meeting of the Board of
Directors of The People's Building
and Loan Association, held last
week, the following officers were
elected to serve until January 1902.

President—C. S. E. Babington.
Vice President—J. S. Jones.
Secretary—C. Z. Williams.
Treasurer—H. J. Smith.

Attorney—T. M. Burns.
Notary—H. R. Warren.
The necessary books and station-
ery have been ordered, and this
Association expects to be doing
business by the 1st of May.

Any information desired may be
obtained by calling upon or writing
to the Secretary.

The complimentary soiree dan-
sante given by the Covington
Brass Band, at Castle Hall, last
Friday night was a most enjoyable
event. There was a good attend-
ance, and the general "band boys,"
as usual, saw that all present had
a good time. Select music was dis-
cussed during the evening by the
Band and the refreshment tables
were well patronized. Our town
should feel proud of its Brass
Band, and give them every en-
couragement, for they surely de-
serve it.

We are selling Hay, Corn, Oats
and Bran, at the lowest prices.
BABINGTON & CO.

The heading to page five of the
FARMER last week was used when
the paper was started, nearly
twenty-seven years ago. Doubt-
less some of our readers recognized
it as an old acquaintance, although
they were over a quarter of a cen-
tury younger than they are now,
when it began to make its weekly
visits.

The prospects are that Covington
will eventually have a railroad east
and west, as well as north and
south. In addition to this, our
Congressman should make it his
business to see that our river is
properly dredged out and cleaned,
in the interest of the large and
growing navigation between here
and New Orleans.

The fine Lake Steamer New Cam-
elia made her first trip of the
season to Old Landing last Sunday.
She has been thoroughly over-
hauled and repainted, and looks as
trim and neat as a new pin. We
predict for this handsome steamer
a prosperous summer season.

There are several delapidated
brick buildings in various parts
of town that are dangerous to life
and limb, especially at night. We
call the attention of the Improve-
ment Committee to this matter, as
it should be remedied without
further delay.

Judging from the immense
amount of freight which arrives
every week by the East Louisiana
Railroad, and the schooners Lizzie
Hans, Rosa A. and J. B. O'Rourke,
the merchants of Covington must
be doing a thriving business.

The officers of the Covington Ice
Factory and Electric Light and
Power Company are as follows:
President—C. S. E. Babington.
Secretary and Treasurer—E. J.
Frederick.

Board of Directors—C. S. E. Ba-
bington, E. J. Frederick, Jas.
M. Thompson, Paul Laborde,
Emile Frederick and W. J. Dob-
son.

A Raging, Boisterous Flood.
Washed down a telegraph line which
Chas. C. Ellis, of Lisbon, la., had
to repair. "Standing waist deep in
icy water," he writes, "gave me a
terrible cold and cough. It grew
worse daily. Finally the best doc-
tors in Oakland, Neb., Sioux City
and Omaha said I had Consumption
and could not live. Then I began
using Dr. King's New Discovery
and was wholly cured by six bot-
tles." Positively guaranteed for
Coughs, Colds and all Throat and
Lung troubles by J. L. Watkins,
City Drug Store. Price, 50c and
\$1.00.

M. C. B. NOTES.

That ever enterprising band of
young ladies, who comprise the
M. C. B. Circulating Library Club,
have recently made another addi-
tion to the Library—a collection
of valuable historical works, etc.
The Library now contains several
hundred volumes of choice novels,
and on its shelves are to be found
the newest and best productions of
American and English novelists.

If you are not a subscriber, you
should lose no time in having your
name enrolled on the subscription
list of the Library, and thereby
secure for yourself pleasant reading
for your leisure moments, while at
the same time you will be helping
the Club in their endeavor to build
up a creditable Circulating Library.

The Librarian, Miss Whepley,
will at all times be pleased to enter
your subscription, furnish you with
catalogue, etc., and give any in-
formation desired.

The entertainment for the bene-
fit of the Episcopal Church, last
Thursday night, was largely attend-
ed, and it was a grand success in
every respect. Owing to its being
given so late in the week, we must
defer extended notice until next
Saturday.

He Kept His Leg.
Twelve years ago J. W. Sullivan,
of Hartford, Conn., scratched his
leg with a rusty wire. Inflammation
and blood poisoning set in. For
two years he suffered intensely.
Then the best doctors urged ampu-
tation, "but he writes, I used one
bottle of Electric Bitters and 1-2
boxes of Bucklen's Arnica Salve
and my leg was sound and well as
ever." For Eruptions, Eczema,
Tetter, Salt Rheum, Sores and all
blood disorders Electric Bitters has
no rival on earth. Try them. J. L.
Watkins, of the City Drug Store
will guarantee satisfaction or re-
fund money. Only 50 cents.
