Concerning Dogs.

Considering the fact that the town authorities contemplate taking some action in regard to regulating the dog question, it is well to heed the sentiment in other places.

The Jackson, (Miss.) correspondent of the New Orleans Picayune says:

The deadly work of the mad dog is reported from day to day in the press dispatches and special correspondence. A mad dog is liable to bite any number of people, including helpless children, not to mention other dogs, as well as cows and horses, and thus keep a whole community in apprehension for weeks, months and years.

Fatal Fist Fight

A fist fight attended by a fatal result occurred Thursday night, June 20, in Audubon Park. The participants were Walter L. Selph, aged 23 years, and Lawrence L. Bailey, aged 22 years.

They were raining blows on each other when Selph was struck in the face, the blow knocking back his head, and he fell to the ground and died in a few minutes.

Death was caused by broken neck coroner M. V. Richard declared. The fight was not witnessed by anyone, the young men agreeing that there should be no outside interference.

Bailey surrendered to the authorities, and at the preliminary examination, last Tuesday, he was discharged, the State failing to make out a case against him.

Walter Selph was the son of Col. Dudley Selph, the popular commercial traveler. He resided in Madisonville, and was well-known here. His untimely death is universally regretted, and the bereaved family have the sympathy of the community in their affliction.

Jubilee Devotion.

Very Rev. Father Lake, O. S. B. will begin a devotion of three days in St. Francis Church, Madisonville, next Thursday evening, July 4, at 7:30 o'clock. This is a preparation to gain the public indulgence granted by the holy Father to all the children of the churches throughout the world for the time being, till the middle of August, under the conditions to pray with devotion and to receive worthily the holy sacraments.

EXCELSIOR!

The Covington Club Again Victorious.

Defeats the Celebrated Columbia Club of New Orleans.

17 to 12.

They Are Invincible.

There was another large attendance at the ball grounds last Sunday afternoon, to witness the match game between the Covington Club and the Columbias, of New Orleans. The fair sex showed their interest in the sport by turning out in force.

The Columbia Club should not feel discouraged over their defeat, as the game the Covington Club put up would have defeated many a better team. They left for the city on the evening train, somewhat disappointed at the result, but considerably wiser and not quite so hilarious as they were in the morning.

The score was as follows:

The following letter was received last Monday by Mr. A. R. Smith, from Mr. H. J. Willis, the well-known and popular Pearl River merchant, which fully explains itself, and shows his keen appreciation of the Covington Club and its successful efforts on the diamond:

Smith, Captain of the Covington Base Ball Club: Dear Sir—Enclosed find the sum of \$5 00, which please accept from me, as a token of appreciation of the manner your club won the base ball game from the "would-be celebrated Columbia club of the city of New Orleans."

Slidell Items.

Editor St. Tammany Farmer. June 22, 1901.

As my last letter failed to find its way to the waste basket I will write another.

We are having some hot and dry weather now. Farmers in this section are needing rain very much. Chorbou is dying out of Slidell now, but it played havoc with the cattle before leaving.

Rev. Bowen preached for us last Friday, Saturday and Sunday. There will be a basket meeting at Alton June 30. The program is set for two sermons, and dinner on the ground. Our Methodist parson, Rev. Williams, will do the preaching.

Mrs. Antoine Provost has been visiting friends and relatives here this week. Several evenings ago the K. of P's gave a free supper at their hall. Their families and a few friends were invited out to enjoy the feast. Quite a number were present, and all seemed to spend a pleasant evening together.

The K. of P's are making rapid progress and are getting in quite a number of new members.

Our marshal is putting our streets in fine shape. He is all the time on the lookout for more laborers. Keep those wheels off the sidewalk, boys, and walk straight, or you may help "fix up the streets."

Mr. J. L. Griffith, Editor and Publisher of the Mount Olive Tribune, Mount Olive, Miss., was in town on business this week.

Mr. Willie Talley, of Pearl River, was in town this week looking after his affairs. We hope he will succeed in his business.

Miss Birdie Roberts, of Alton, is visiting friends in Slidell this week. She was given a reception at the home of Mr. and Mrs. Geo. O. Aiken last night. Miss Birdie has been teaching school near Alton, La., for several months past. Her school closed last Wednesday. Miss Roberts will leave for her home in Clinton, La., next week.

Hoping that "Wild West" and "Subscriber" will get the rest of the news, I will "hush"

Editor St. Tammany Farmer: June 25, 1901.

The crops in this section are suffering for rain and will soon be ruined.

The Charbon is spreading over the Fifth ward. It is killing horses and cattle. The people are turning out their milk cows.

There was a fishing party last week, but they had little success, owing to the muddy water of Pearl River.

Mr. and Mrs. Whitney and Mrs. Daniels are visiting relatives here. Misses Alice and Lou Cochran are the guests of their uncles, S. R. Cowart and P. H. Kahl.

Mr. Dan Kahl is a visitor here. A SHORT BEGINNING.

A shower of rain would be appreciated very much. The gardens are all about gone for the want of rain.

The Charbon is raging in the Eighth ward. It is killing the cattle and horses out fast.

Misses Birdie Roberts and Nora Daws paid Mr. and Mrs. Kahl a flying visit. Misses Alice and Lou Cochran have been on a visit to their aunt, Mrs. Mary Kahl.

As this is my first letter, I hope it may not find the waste basket. X. Y. Z.

Flag Day at Salmen School.

Slidell, La., June 24, 1901. Editor St. Tammany Farmer.

June the fourteenth is known all over the United States, as Flag Day, as our flag was adopted on June 14, 1777.

Flag Day was closing day at the Salmen School, and an interesting program was prepared and enjoyed. The teacher, as well as the scholars, found the heat too oppressive to continue the term the fourth month, as at first intended.

The following composition was written by Miss Cora May Von Deusen, although not a pupil of the school:

FLAG DAY.

Flag Day all over the United States is June 14. The first United States flag was adopted by Congress, June 14, 1777. It had the stars and stripes, and was made, it is said, out of a soldier's white shirt, an old blue army overcoat, and a red flannel petticoat. It was raised by the United States army at Fort Stanwix, (near Rome,) New York, during Burgoyne's campaign, in 1777.

Paul Jones probably first raised this flag on the sea.

The flag Washington raised at Cambridge when he took command of the army was the English flag, with thirteen red and white stripes annexed.

In the flag adopted by Congress the stars represent all the States, and the stripes the original thirteen States. We now (the year 1901) have forty-five stars, representing the present forty-five States.
