

Tammany Farmer.
Saturday, Jan. 11, 1902.

U. A. O. D.
Masonic Hall, No. 21
Covington, La. The first and third Saturdays
of the month, at 7:30 P. M., at Castle
Hall, St. Louis, Mo., Noble Arch.
W. D. HERRICK, Secretary.

Cotton continues to roll in at
a lively rate.

There will be two auction sales
of household furniture in Covington
next Wednesday. See ad-
vertisement in another column.

Mardi Gras will probably be
celebrated in Covington by all
going to the city, except the mem-
bers of the cant-get-away club.

Miss Rosa Beaucoudray, who
has been seriously ill for some time,
is improving, and is now able to
be up.

Messrs. A. P. Laoroix and Mr.
A. Sharp are on the sick list, but
are getting along very well. Prof.
Harris has also been laid up with in-
flammatory rheumatism.

The New Orleans Naval Dock
successfully raised the great battle
ship Illinois, in 1 hour and 57
minutes. The time specified in the
contract was 2 hours and 40
minutes.

Mr. Chas. Heintz, Sr., who has
been confined to the house by ill-
ness, is able to be up and about
again.

Mr. P. C. Bourg, formerly of
Summer Camp, has rented the
Maison Blanche Hotel, and will
open next Wednesday, Jan. 15.

J. O. Bourg, architect, is making
some fine improvements on the
residence of Mr. Leon Roubion,
including fine dormer windows and
an entire new front, in the latest
style of architecture.

An interesting meeting of the
Town Council was held last Tues-
day night. The proceedings will
be found in another column.

Boy's Pants, only 20 cents, at
E. J. Frederick's store.

Mr. J. F. Jolly has his barber
shop lighted with acetylene gas,
and has one of the most beautiful
lights in town. The work was
done by C. V. Quave & Bro., who
are prepared to fit up houses with
promptness. See their ad in an-
other column.

We have had delightful weather
during the past week. It is to be
hoped that we have had our usual
February weather in December, to
be followed by no more bliz-
zards and an early spring.

The Town Council has appropri-
ated \$75 00 to assist the merchants
and mariners in building a revet-
ment at the foot of Columbia
street. This will be a much need-
ed improvement, and a benefit to
the town and all having business
at the schooner landing.

Mr. Theo. Sully, the well known
New Orleans architect, and a native
of Covington, has the contract for
building the convent for the Ben-
edictine Sisters, near St. Peter's
Church, and will commence the
work at once. We understand it
will be completed by the 1st of
August.

We acknowledge the receipt of
an invitation to attend the mar-
riage of Mr. Geo. H. Masson to
Miss Lottie, niece of Mr. and Mrs.
M. Du Verney, next Wednesday,
January 15, at 5 P. M., at St.
Augustin's Church, New Orleans.

Mrs. J. V. Brock's High School,
for girls and small boys, opened in
Monday, with a very good attend-
ance. Mrs. Brock is an able and
experienced teacher, and her terms
are reasonable. See advertisement
in another column.

Broom corn should be a paying
crop in our parish, now that we
have a broom factory, which fur-
nishes a home market for the pro-
duct. We furnish in another col-
umn an article on the cultivation
of broom corn, and next week will
tell all about how to harvest and
cure it.

The following petition was then
read:

To the honorable Mayor and Board of
Aldermen:
Gentlemen—We the undersigned
citizens and residents of Covington,
respectfully ask your honorable
body to place an electric light at
the corner of New Hampshire and
Lockwood Streets commonly known
as Babington & Co's. corner, for
the reasons: That there is no light
on said corner, that portion of the
town being one of the most fre-
quented portions both by its citi-
zens and people from the country.
That there are no sidewalks to
speak of in that portion of the
town, making travel at night almost
impossible. That the marshal is
unable to arrest violators of the law
or account of the absence of a
light. That the town ordinances
and the State laws are constantly
violated in that portion of the town.

A Good Showing.

The People's Building and Loan
Association has made its first re-
port, for the six months ending
Dec. 31, 1901, which is highly
flattering, as will be seen by the
following statistics furnished us
by the Secretary, Dr. C. Z. Wil-
liams:

ASSETS.	
Real Estate Loans	\$4,400 00
Stationary and advertising	91 80
Cash on hand	349 30
Total	\$4,841 10
LIABILITIES.	
Capital Stock, full paid	\$1,800 00
Capital Stock, installment	2,466 00
Profit and Loss	475 10
Total	\$4,841 10

Net earnings for the first six
months, \$478 10, which is a profit
of more than 10 per cent. of the
capital stock. There was a semi-
annual dividend of 4 per cent. de-
clared and the remainder of the
net profits were carried to the re-
serve fund.

The stockholders are to be con-
gratulated on the fine business done
from the start. Look out for their
advertisement in next week's issue.

The Omega Club were very hand-
somerly entertained at the residence
of Mr. and Mrs. J. C. A. Douer, on
Friday, night, Jan. 3. The house
was tastefully decorated for the
occasion, and there was an abun-
dance of choice refreshments. The
ladies' first prize was won by Miss
Salome Seller, second by Mrs. C.
T. Hardie and the consolation by
Mrs. H. H. Smith. The gentlemen's
first prize was won by Mr. A. R.
Smith, second by Mr. Ed. Richard
and the consolation by Mr. W. H.
Kentzel.

The next meeting of the club
will be held at the residence of Mrs.
Seiler, Tuesday night, Jan. 14.

A committee from the Town
Council will confer with the School
Board, at its meeting next week,
in regard to converting the Pavilion
into a public school building. We
believe this is a good move, as with
little expense the Pavilion could
be made a model building for the
purpose, while at present it is of
no benefit whatever. The large,
well-shaded square in which it is
located will be a model play ground
for the children, and its retired but
convenient location renders it emi-
nently suited for the purpose.
