His Mother's Cooking.

He sat at the dinner table there, With a discontented frown, The potatoes and steak were underdone, And the bread was baked too brown, The pie too sour, the pudding too sweet, And the meat was much too fat, The soup was greasy, too, and salt— 'Twas hardly fit for a cat.

"I wish you could taste the bread and pies, I have seen my mother make; They were something like, and 'twould do you good Just to look at a slice of her cake." Said the smiling wife: "I'll improve with age. Just now I'm but a beginner. But your mother called to see me today, And I got her to cook the dinner!" (Woman's Life.

The Lost Needle.

Twenty-seven years ago Mrs. Samantha Ambergris, a quiet, modest seamstress residing in Walnut Grove, Ill., was sewing a button on her husband's trousers. Having occasion to thread a needle she held it between her lips while she looked for a spool of thread. Just then she sneezed violently, and the needle disappeared, nor could she find it after the most prolonged search.

The incident passed entirely out of her mind. One day last week, however, Mrs. Ambergris, who is now an elderly woman, felt a tingling sensation in the middle finger of her left hand. She looked at the finger and saw something small and sharp protruding from the skin. Applying a pair of tweezers she pulled it out. It proved to be a splinter she had accidentally run into her finger the day before, while cleaning house.

TAX ON BABIES.

Extreme hot weather is a tax upon the power of babies, when puffy and feeble they should be given doses of White's Cream Vermifuge, the children's tonic. It will stimulate and facilitate the digestion of their food, so that they soon become strong, healthy and active. 25c at V. H. Frederick's Drug Store.

CAUGHT ON THE FLY.

"I'll marry whom I please!" said she, And tossed her little head. "Hurray! You're mine! For certainly You do please me," he said.

All the world's a stage, upon which each actor plays his part— after which he occupies a private box.

Maud—I hate to think that you'd throw yourself at Fred. Mamie—Why not? He's a good catch.

Satisfactory Explanation: She—"Stop! You shan't kiss me to-night—at least, not before I have had an explanation. I heard to-day that you had been engaged to sixteen different girls." He—"But that was before I had seen your angel face, my love." She—"So it was, to be sure. I never thought of that."—Tit-Bits.

A SPLENDID REMEDY.

Neuralgic pains, rheumatism, lumbago and sciatic pains yield to the penetrating influence of Ballard's Snow Liniment. It penetrates to the nerves and bone, and being absorbed into the blood, its healing properties are conveyed to every part of the body and effect some wonderful cures. Mr. B. F. Moore, Agent Illinois Central Railway, Milan, Tenn, states: "I have used Ballard's Snow Liniment for rheumatism, backache, etc., in my family. It is a splendid remedy. We could not do without it." 25c, 50c and \$1.00 at V. H. Frederick's Drug Store.

Naomi, the daughter of Noah, was 480 years old when she got married, so dear old girls never despair, for

There never was a goose so gray, That some day, soon or late, An old gander comes that way, And claims her for his mate.

HOT WEATHER WEAKNESS.

If you feel fagged out, listless and lacking in energy, you are perhaps suffering from the debilitating effects of summer weather. These symptoms indicate that a tonic is needed that will create a healthy appetite, make digestion perfect, regulate the bowels and impart natural activity to the liver. This, Herbine will do; it is a tonic, laxative and restorative. H. J. Fregard, Prop'r Grand View Hotel, Cheney, Kan., writes: "I have used Herbine for the past 12 years, and nothing can beat it. It was recommended to me by Dr. Newton, Newton, Kan." 50c at V. H. Frederick's Drug Store.
