ARE YOU RESTLESS AT NIGHT? And harassed by a bad cough? Use Ballard's Horehound Syrup. It will cure your sound sleep and effect a prompt and radical cure. 25c, 50c and \$1 bottles at V. H. Frederick's Drug Store.

\$10,000 For Brick Banquettes.

At the meeting of the Board of Mayor and Selectmen Wednesday night an order was passed to issue \$10,000 worth of Bonds to build banquettes. This is a very important matter and is one of the improvements most needed in McComb City.

From what we can learn these banquettes will be built by the city with the proceeds of the bonds and property owners will have almost their own time in which to pay for them. Those who desire can pay for the work when completed, or can pay in yearly installments. This will increase the value of every piece of property where banquettes are built and will only be charged to those who own property adjacent to the new banquettes—McComb City Enterprise.

The above seems to be a good plan, and might be made to work as well in Covington and other towns as in McComb City. It assures the prompt building of sidewalks, with long time to pay for them, making it easy for all concerned.

LOST.—Between St. Tammany and Oak Ridge, an overcoat, dress coat and vest watch and small chain. Reward of \$2 50 will be paid for its return to Tom Rout, Covington, La.

Card of Thanks.

The undersigned tender sincere thanks to the many friends who rendered valuable assistance and kind attention during the illness of our father, Rudolph Galatas. HIS CHILDREN.

CANCER CURED.

Mr. W. W. Prickett, Smithfield, Ill., writes, Sept. 10th, 1901: "I have been suffering several years with a cancer on my face, which gave me great annoyance and unbearable itching. I was using Ballard's Snow Liniment for a long time, and through an accident, I rubbed some of the liniment on the cancer, and as it gave me almost instant relief, I decided to continue to use the liniment on the cancer. In a short time the cancer came out, my face healed up and there is not the slightest scar left. I have implicit faith in the merits of this preparation, and it cannot be too highly recommended." 25c, 50c and \$1.00. For sale by V. H. Frederick, drugist.

Smallpox Scare

Two well developed cases of smallpox were reported in Franklinton Monday. These cases were Mr. Luke Herrin and a colored man, who are in the employ of Mr. E. Gray, and were in their camp on the eastern side of town. The town authorities immediately took steps to keep it confined and prevent its spreading. The board of health, of which Dr. W. R. Abney is president and Dr. H. Hallinghorst is secretary, arranged to care for and quarantine those that are afflicted and those that have been exposed, and if due precaution is taken the further spread of this disease need not be feared.—New Era.
