Roosevelt at Richmond.

Good Roads.

There is scarcely any improvement as important to the general welfare as good roads. Home Cure For Consumption.

Emphasizing the fact that he did not depreciate the value of high altitudes in the cure of tuberculosis, Dr. S. A. Knopf of the New York State Medical Association, asserted his belief that cures obtained in ordinary home climates, while requiring longer, seem to be more lasting.

"Have you formed any opinion on this case Mr. Jurymen—'No sir.' Lawyer—'Do you think, after all the evidence on both sides is in, you would be able to form an opinion.' Jurymen—'No sir.' Lawyer—'You'll do.'—New York Weekly.

A JUDICIOUS INQUIRY.

A well known traveling man, who visits the drug trade, says he has often heard druggists inquire of customers who asked for a cough medicine whether it was wanted for a child or for an adult, and if for a child they almost invariably recommend Chamberlain's Cough Remedy.
