"A Square Deal"

During the years that have passed since we commenced business in Covington our aim has been to treat all customers fairly and, as our chief executive expresses it, give them "a Square Deal." We believe that this policy has been upheld in every particular, as our constantly increasing business will testify.

We are now located in our new quarters, occupying a building constructed especially for us, with an entirely new stock—you will remember that we sold out our old stock just previous to moving—and we are now in position to satisfy the most exacting customer.

If you are one of our old friends you need no special invitation to call on us, but if you have never visited our new store, now is the time. We assure you a welcome, even if you don't make a purchase.

We present below a partial list of the many articles we constantly carry in stock. Our prices are very low for the values offered.

Dry Goods Our shelves are full of the choicest patterns for summer wear, in newest designs of Lawns, Swisses, Dimities, and the prices range from 1c to 20c a yard.	Ladies' Skirts This is our specialty and in this department we have no competitors capable of underselling us. No old stock, but the dressiest designs in Etamine, Mohair and Silk. Tailor-made and ready to wear. \$2.50 to \$10.00 each.	Millinery At the head of this department we have an experienced milliner, prepared to make alterations or designs to suit individual tastes. We have also a new and complete line of Ready-to-Wear Hats, in all the latest styles and shapes. To go with these hats we have in stock Ready-made Chiffon and Net Veils and Veiling by the yard.
