EVERY MAN HIS OWN DOCTOR.
 The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin, has been known to cause the loss of a limb. Hence every man must necessarily be his own doctor for this class of ailments. Success often depends upon prompt treatment which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation. They sell for 25 cents a bottle.
 Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaint.
 Chamberlain Cough Remedy for coughs, cold, croup and whooping cough.
 Chamberlain's Pain Balm (an anti-septic liniment) for cuts, bruises, burns, sprains, swellings, lame back and rheumatic pains.
 Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles.
 Chamberlain's Salve for diseases of the skin. One bottle of each of these five preparations costs but \$1.25.

Rheumatism IS Curable.
 No matter how severe your Rheumatism is, no matter how long it has continued, no matter how many remedies have failed to give you lasting relief—your rheumatism is most decidedly curable, if you will but treat it in the right way.
 The right way to cure rheumatism—in fact the only way to thoroughly and completely cure it—is to go right down to the root of the disease and remove the CAUSE.
 This is precisely what BALTAR'S RHEUMATIC CURE does. It positively removes the cause of rheumatism and PERMANENTLY CURES rheumatism in all its forms—acute or chronic—muscular, inflammatory, sciatic or paralytic.
