**Rheumatism IS Curable.**

No matter how severe your Rheumatism is, no matter how long it has continued, no matter how many remedies have failed to give you lasting relief—your rheumatism is most decidedly curable, if you will but treat it in the right way.

The right way to cure rheumatism—in fact the only way to thoroughly and completely cure it—is to go right down to the root of the disease and remove the CAUSE.

This is precisely what BALTAR'S RHEUMATIC CURE does. It positively removes the cause of rheumatism and PERMANENTLY CURES rheumatism in all its forms—acute or chronic—muscular, inflammatory, sciatic or paralytic.
