A. O. D.ogue Palmyra Grove, No. 21

Meets on the first and third Saturdays of the month, at 7:30 p. m., in the Masonic building, Covington, La.

The new traction engine for road working has arrived and will be given a trial.

Mr. and Mrs. Louis Pechon are the happy parents of a fine daughter weighing 11 pounds, born Saturday, September 21, 1907.

Mr. and Mrs. A. B. Holiday, are rejoiced at the arrival of a sweet little girl on Thursday, September 26.

Mr. and Mrs. A. W. Barton, of Mandeville, La., are the happy parents of a fine 10 pound baby girl, born Friday morning, Sept. 20.

Mr. and Mrs. F. Brinker have left their summer residence near Abita, and will spend the winter in their New Orleans home.

Mr. Alfred A. Moreau and Miss Theresa Beck were united in holy matrimony on Wednesday, Sept. 26, Rev. Joseph Koegerl officiating.

Last Tuesday the engine of the New Orleans Great Northern passenger train broke down at the Mandeville Junction and delayed the train a couple of hours. No body hurt.

Dr. and Mrs. J. Frank Points and their little son, James Hubert Blenk Points, and Miss Delphine Points were the guests this week of the Misses Points, at Points' Villa.

If you want a strictly high grade of coffee, 12 pounds for \$1.00, go to C. W. Schmidt's General Merchandise Store, Abita Springs, the only store in the parish that sells it for that price.

Little Herbert Clarain, a pupil of the Michoud Grove public school, a son of Mr. and Mrs. L. Clarain, was severely bitten by two dogs last week, while entering a nearby yard for a drink of water. His wounds were dressed by Dr. L. C. Heints and he is doing nicely.

Archbishop Blenk, of New Orleans, and his private Secretary, Rev. Father Jeppard were the guests of the Misses Points at Points' Villa this week. Their stay was very enjoyable.

Last Saturday the business place of M. M. Magee and the home of Gordon V. Goodbee, in Franklinton, was destroyed by fire. Everything was a total loss at Magee. The household goods at Mr. Goodbee's residence were saved. Mr. Magee's loss was \$13,000, insurance \$10,000. Goodbee's loss \$1,200, insurance \$900.

Mr. William N. Cooper died last Wednesday, Sept. 25, at his home in Claiborne, of blood poisoning. Mr. Cooper was in Covington a day or so before he died, and his death will be a shocking surprise to many of his friends.

Mr. Cooper was 41 years, 9 months of age. The body was interred in Madisonville Thursday afternoon, Sept. 26.

Melchior Henry White died on Tuesday, September 24, 1907, after an illness of three or four weeks. He was 28 years 9 months of age. Mr. White was a young man of fine business attainments, and a favorite with all who knew him, yet his loss to the business community is overshadowed by the great loss and deep grief of those who were near and dear to him. To them the sympathy of the community goes out.

Mr. White was a member of Fourth Troop Cavalry, and was buried in the Covington Cemetery with military honors, Wednesday afternoon, Sept. 25, by Rev. T. M. Bailey and Ernest Rayne, officiating.

HEALTHEN THE CANAL ZONE The high wages paid make it a mighty temptation to our young artists to join the force of skilled workmen needed to construct the Panama Canal. Many are restrained, however, by the fear of fever and malaria. It is the knowing ones—those who have used Electric Bitters, who go there without this fear, well knowing they are safe from malaria's influence with Electric Bitters on hand. Cures blood poison, biliousness, restlessness and all stomach, liver and kidney troubles. Guaranteed by C. C. Champagne & Co., druggists, 50c.

KINDERGARTEN.

Teaching Through Play.

Play marks the activity of the child. To the little child, as to primitive man, the world is new; and in his play the child is trying to understand the world about him. Play prepares the child for his grown up life. To see him then is to see him at his best—as he really is.

So the kindergarten, coming between the home and the school life, seeks to stimulate self-activity, and to instill and strengthen in the young child the desire for learning, by directing his spontaneous and impulsive play into the right channels.

The kindergarten plays and games furnish the best conditions for the child's mental, moral and physical powers. "Play alone can secure the whole souled later life."

To-morrow, Sunday, September 29, the Holy Name Society, which is established in nearly every Catholic Church of New Orleans, is going to be organized in St. Peter's Church of Covington. Thoman, the State Organizer, will organize the Society at a meeting in the Convent Hall, opposite the church. All Catholic men and young men are invited to be present and to join.

The Grand Jury adjourned last Wednesday, after being in session three days. Five true bills were found. Three against negroes for murder; others for trivial offenses.

The Southern Hotel is serving delicious regular meals, three times daily, 50 cents each.
