V. M. LEFEBVRE.

In this issue of the paper we present the announcement of Mr. F. M. Lefebvre of West Baton Rouge for Congress, subject to the voters of the approaching Democratic primary.

Mr. Lefebvre is a native of Louisiana, born in Iberville Parish, from where he moved in his early manhood to his present home of West Baton Rouge and where he has continuously lived and followed the occupation of a farmer.

Although he is not like all other congressmen and congressional aspirants, an "Attorney at Law," yet he has proved his ability to serve his parish and State in public position with due credit to himself and his constituents in various capacities.

In 1892 he was called upon by a unanimous vote to serve his district in the State Senate, where he early gained influence and prominence.

He served his parish in the constitutional convention of 1898, and no man labored more earnestly than he to secure to the white people of the State the absolute right of State, parish and ward government.

In 1896 he was nominated and elected to the position of sheriff of his parish, which position he filled to the entire satisfaction of his constituents until 1899 when he was prevailed upon to accept the position of member of the Board of Commissioners of the Atchafalaya Basin Levee District where he has continuously served since and of which Board he has been the honored president for the past five years.

Mr. Lefebvre is an ardent advocate of the improvement by the National Government, of inland waterways of the State and district, that navigable streams may be offered as a check and barrier to exorbitant railroad rates and corporation. In fact the ambition of his life seems to be devoted to the fostering and advancement of the State's best interest and especially to her agricultural and manufacturing industries, and should he be selected to serve his district in the national congress there is no doubt of his ability and untiring energy in any and all questions pertaining to the interest of his native State as well as his unceasing watchfulness and scrutiny of any bills that might be detrimental to or of doubtful interest to her welfare.

Sec. 2. Be it further ordained, etc., That 4 mills are hereby appropriated therefrom for criminal expenses, 2 mills for the benefit of public schools, 2 mills for the general expenses of the parish, and 2 mills for the benefit of public roads, and that the sheriff and tax collector do collect the amount appropriated therefrom for criminal expenses, and for the benefit of public roads upon all property in the parish subject to taxation, including that situated in the towns of Mandeville and Covington.

Be it further enacted, etc., That the sheriff and tax collector shall receive in payment of parish taxes (the amount appropriated for public schools excepted) the fully approved certificates of the grand and petit jurors for per diem and mileage, and certificates of members of the Police Jury for per diem and mileage, and that he proceed with the collection of taxes now levied, according to law.

Not just one case alone, but hundreds of cases, where all hopes had been given up, where the hand of death seemed to have forever closed upon them. We will send you hundreds of letters from every State in the Union filled with grateful words of praise for O-SO-LI-NE.

READ THIS ONE: I have been afflicted with Asthma and Lung trouble for six years and O-so-li-ne is the only remedy I found to give me relief and I truly believe it will effect a permanent cure. I have recommended it to my friends, and will do so in the future.

Mrs. Annie Hunt, 1434 Polymnia Street, absolutely GUARANTEED TO GIVE POSITIVE RELIEF WITHIN THIRTY DAYS.

O-SO-LI-NE, the great germ destroyer, was discovered by an old Austrian physician, and has cured hundreds of cases of consumption, bronchitis, asthma and catarrh in Austria and in this country.

It has stood the most rigid tests so often and so well, it has brought hope and life to so many hundreds who were afflicted with consumption and who had lost all hope, and it has proven its supreme value in destroying Tuberculosis germs in so many cases that it is used to-day and recommended by numerous large institutions and sanitarians, and positive proofs of all these facts we will give to you freely.

If you have consumption or any of its symptoms, COUGHING and HAWKING CONTINUALLY, SPITTING YELLOW and BLACK MATTER, BLEEDING FROM THE LUNGS, WEAK VOICE, FLAT CHEST, NIGHT SWEATS, FLUSHED COMPLEXION, PAIN IN THE CHEST, WASTING AWAY OF FLESH, ETC.
