Louisiana People at the Inaugural.
 Washington, March 5.—Gov. Sanders and his party from Louisiana had a disagreeable experience upon their arrival here to-day. There was a nasty, cold, drizzling rain falling as the Louisianians alighted from their special train and started out in small parties to see the sights of the nation's capital. The weather was so different from that they left at home they shivered, and many of the ladies elected to stay on the special train ranked in the yards of the Southern Railway. They were lucky, for later the rain turned into a storm and deluge.

The trip up from New Orleans was pleasant, with nothing to mar the enjoyment of the 175 ladies and gentlemen aboard. Gov. Sanders and Miss Bessie Sanders, his sister; Mrs. J. D. Smith of Montgomery and Miss Emma Dickson of Brewton, Ala., were guests in the comfortable private car of Col. Charles Marshall, superintendent of the Louisville and Nashville, who is a member of the Governor's staff. Col. Marshall's other guests, Adjutant General Stafford, Brig. Gen. F. F. Miles, Brig. Gen. Jack Thompson and Col. J. K. Ridgely.

On the ball committee representing the State of Louisiana was Walter D. Denege.

Gen. W. J. Behan was on the general committee for the ball. Walter Weather represented Mississippi on the general committee, and C. C. J. K. Ridgely was a member of the reception committee representing Louisiana.

Louisiana followed Ohio in the parade.

Governor Sanders and the following members of his staff were mounted: Gen. David Stafford, Gen. J. K. Thompson, Col. C. H. Ellis, Col. J. K. Ridgely, Col. J. F. Watson, Col. R. E. De Monteluzin, Col. S. T. Woodring, Major Lynn Dinkins, Major J. C. Russell, Major C. G. LeBarre, Gen. F. F. Miles, Col. J. D. Congrois, Col. John Saxon, Col. S. L. Powell, Col. P. Lowenthal, Major T. W. Dantziger, Major John Summerlin, Major A. W. Berdon, Major Lanier Lenve, Major Clarence Murphy, Major C. S. Tift and Major Peter Pabache.

The Taft Inaugural was visited by such a severe blizzard that outside ceremonies were abandoned.

Entertainment at Abita.
 There is to be an entertainment and dance at the new pavilion in Abita Springs on the 19th day of March, for the benefit of the pavilion fund. Covington, as well as Abita, has a natural pride in the Crystal Waters of the Abita Spring, the medicinal value of which is recognized by all.

The wide reputation of this spring as a curative in many diseases and as a specific in some, draws many visitors to St. Tammany parish in search of health. Recognizing the need of a pavilion where these visitors may congregate in summertime or enjoy an occasional dance and where picnickers can find shelter and shade, enterprising citizens of Abita have erected a handsome pavilion, and the entertainment and ball on the 19th of March, is for the purpose of helping to defray the expense. With the beautiful weather we are now having, Covington people will no doubt join with Abita in making the affair a success.

The admission is 25 cents.

Carnival Club Meeting.
 At the meeting of the Carnival Club at the Southern Hotel Thursday evening, it was decided to make an effort to secure the meeting of the Press Association in Covington. The general opinion seemed to be that we could take care of the association very nicely and that we could entertain them in a befitting manner, the main discussion being the provision of quarters within reasonable distance of the convention hall. The subscriptions for this purpose amounted to \$125 from the few members present at the meeting, and a sufficient sum for all purposes will easily be raised. W. G. Evans, Ernest Domergue and Edmond Stern were appointed as a committee to solicit subscriptions.

Mr. M. L. Costley, Jr., Traveling Freight Agent for the Illinois Central, and Mr. W. S. Priest, Division Agent, were present at the meeting and expressed their desire for co-operation of the merchants of Covington in extending the business of the Illinois Central in this section. This matter will be taken up by the citizens organization which is soon to come into existence, as well as some other matters of importance.

It seems also that an opportunity has been presented for securing the military camp at Covington, and this matter is also to be looked into.

All goods guaranteed as represented or money refunded by J. F. Doty.

The St. Tammany Social and Improvement Club, of the town St. Tammany, gave their second entertainment in that place last Saturday. The decorations were very handsome. Springtime.
 Faith almost scans the glory,
 And almost hears the angelic choir;
 Chanting the old, old story,
 Just like a shock of grain he fell,
 All ready for the garner,
 This earthly life was just a road,
 And he, just a sojourner.

A city far away he saw,
 And pastures ever vernal,
 Where God doth wipe away all tears,
 In that fair land eternal.

In Memoriam
 Joseph Antoine Rousseaux, died in New Orleans, February 19, 1909, aged 75 years. He was the son of Captain Antoine Rousseaux, who was one of the earliest residents of West Pearl River, St. Tammany Parish, La.

Adown the years of long ago,
 When we were young as any,
 I had a friend who just has gone
 Away, to join the many.

"The great majority" O yes!
 Faith almost scans the glory,
 And almost hears the angelic choir;
 Chanting the old, old story,
 Just like a shock of grain he fell,
 All ready for the garner,
 This earthly life was just a road,
 And he, just a sojourner.

A city far away he saw,
 And pastures ever vernal,
 Where God doth wipe away all tears,
 In that fair land eternal.

FEELER OLD LADY
Has Strength Restored
 By Vinol.
 Mrs. Michael Bloom of Lewistown, Pa., who is 80 years of age, says: "For a long time I have been so feeble that I have had to be wheeled around in an invalid's chair. I had no strength and took cold at the slightest provocation, which invariably settled on my lungs, and a cough would result. My son learned of the cod liver preparation called Vinol, and procured a bottle for me. It built up my strength rapidly, and after taking three bottles I am able to do most of my work, and I can walk a quarter of a mile easily. Every aged or weak person who requires strength should try Vinol. I am delighted with what it has done for me."

As a body builder and strength creator for old people, delicate children, weak, run-down persons, and after sickness, Vinol is unexcelled. If it fails to give satisfaction we will return your money.
