## The Best Fertilizers for Corn

That the yield of corn from the average farm can be greatly increased by intelligent and liberal fertilization has been repeatedly demonstrated. Large crops of good corn result from preparing the land well, using the right kind and quantity of fertilizer, good seed and proper cultivation.

## Virginia-Carolina Fertilizers

will greatly "increase your yield per acre" of corn or any other crop. In some cases remarkable results have been obtained. Mr. C. W. Caruthers of Sumpter County, Fla., writes: "Words cannot express the value of your fertilizer. It is really so far ahead of other companies' goods, that it would not pay anyone to use other brands, were they given free and put in the field. I can prove what I say to be a fact. I made a test on five acres. I used on one half the land your fertilizer and on the other half another company's fertilizer, same grade; the land received the same cultivation every time. I got a correct account of the amount of money I got off each half and I got \$300 more from the land on which I used Virginia-Carolina Fertilizer than I did off the other half. I got four times as much corn from the land on which I used your fertilizer."

## Police Jury.

Covington, La., March 15, 1909.

The Police Jury met in regular session on above date.

Present—Geo. Koepf, Jr., President, M. Fitzgerald, H. Schultz, G. D. Bierhorst, Crawford Williams, G. D. Crawford, J. J. Cusachs, B. A. Schneider and J. W. Decker.

The minutes of the last meeting were read.

On motion, duly seconded, the minutes of the last meeting were adopted as read.

It was moved by Mr. Cusachs, seconded by Mr. Schultz, that the eighth ward road fund be reimbursed the sum of \$1,055 00, from the general fund. Said amount having been paid out of eighth ward road fund for building bridges.

It was moved and seconded that the eighth ward be re-imbursed the sum of \$200 00 for work done in the Ninth ward in 1907. Said amount to come out of the Ninth ward road fund.

Carried.

It was moved by Mr. Cusachs, seconded by Mr. Schneider, that a committee be appointed to confer with the Southern Hotel Co. in regard to tapping their sewerage for the jail.

The President appointed on the above committee, Sheriff T. E. Brewster and Herman Schultz.

Hon. E. H. Richard addressed the Police Jury in behalf of the Chemical Fire Co., asking that they grant a building site in the courthouse yard, for said company to erect a neat little building for their engine.

On motion, duly seconded, the above matter was laid over till next meeting.

Covington, La., March 15, 1909. To the President and Members of the Police Jury, St. Tammany Parish, Louisiana.

Gentlemen—I am informed that L. C. Moise, Official Court Stenographer, will to-day file with your Honorable Body, his resignation as such stenographer. I desire to make application for the position. I have had the approval of Judge Burns, and that of H. R. Warren, Esq., your District Clerk.

Now, gentlemen, I desire also to ask you to consider a proposition of increasing the retainer now paid \$100, to at least \$200. You all well know that within the last year it has been necessary for the District Court to hold several special criminal sessions, which required the presence of the Court Stenographer. This requires loss of time and I am sure that a fee of \$200 is no more than reasonable and will meet with the approval of all concerned.

The Parish of Washington pays its Stenographer a retainer of \$150 a year.

Trusting that my application will meet with your approval, and that you will also consider my proposition to pay \$200 a year.

With best wishes, I am, Yours very truly,  
J. M. CLAVERIE, Jr.

Laid over the next meeting.  
Covington, La., March 15, 1909. To the President and Members of the Police Jury of the Parish of St. Tammany, La.

Gentlemen—We your Finance Committee beg leave to report that we have examined and approved bills to the amount of \$1,000.00 and ninety six and 40-100 dollars.

H. SCHULTZ.  
GEO. BIERHORST.  
J. W. DECKER.

It was moved and seconded that the above report be accepted.

Covington, La., March 15, 1909. To the President and Members of the Police Jury of the Parish of St. Tammany, La.

Gentlemen—I ask your honorable body to take up the matter of dead stock, such as horses, cows, which die in the town of Covington, and has been carried just outside of the corporate limits of the Town of Covington, and left just across Mile Branch, on the Homesville public road, within sight of my residence, and I get the full benefit of the disagreeable odor. I can safely say that I get this odor three hundred days out of the three hundred and sixty-five for the last four years. I ask your honorable body to take steps towards having the dead stock carried farther away, or buried.

I will be pleased to take any of the members to the place where these dead animals are deposited, that you can see for yourself what I have to contend with, at least three hundred days in the year.

Yours very respectfully,  
W. N. PATRICK.

Moved and seconded that the Police Jury refer this communication to the Grand Jury. Carried.

## A BAPTIST ELDER

Restored to Health by Vinol  
"I was run down and weak from indigestion and general debility; also suffered from vertigo. I saw a cod liver preparation called Vinol advertised and decided to give it a trial, and the results were most gratifying. After taking two bottles I regained my strength and am now feeling unusually well." Henry Cunningham, Elder Baptist Church, Kingston, N. C.

Vinol is not a patent medicine—but a preparation composed of the medicinal elements of cods' livers, combined with a tonic iron and wine. Vinol creates a hearty appetite, tones up the organs of digestion and makes rich, red blood. In this natural manner, Vinol creates strength for the run down, overworked and debilitated, and for delicate children and old people. For chronic coughs, colds and bronchitis Vinol is unexcelled.

All such persons in this vicinity are asked to try Vinol in our offer to refund their money if it fails to give satisfaction.
