## POLICE JURY

Covington, La., Jan. 17, 1910.  
The Police Jury met in regular session on above date and remained in session two days.  
Present—Geo. Koepf, Jr., President; Mark Fitzgerald, H. Schultz, G. F. Bierhoist, Crawford Williams, A. D. Crawford, J. J. Cusachs, B. A. Schneider and J. W. Decker.  
The minutes of the previous meeting were read.  
On motion, duly seconded, the minutes of the previous meeting were adopted as read.  
The following communications were read:  
New Orleans, Jan. 11, 1910.  
E. D. KENTZEL, Esq., Secretary, Parish of St. Tammany, Covington, La.  
Der Sir:  
In reply to your favor of the 8th inst. addressed to our Mr. E. L. Chappuis, we beg to advise you that we will be very pleased to undertake the audit of your parish books for a fee of \$20.00 per day, for the services of one first-class accountant, in addition to his traveling expenses to Covington and hotel expenses whilst engaged on the audit.  
We have from time to time carried out a large number of municipal audits and have had excellent experience in this direction; we are thus enabled to promise you entire satisfaction should you favor us with your contract.  
Yours very truly,  
Marwick Mitchell Co.

January 11, 1910.  
Chairman of Finance Committee, Parish of St. Tammany, Covington, Louisiana.  
Dear Sir:  
Upon the suggestion of Mr. E. A. Schneider of Paris River, we wrote to Mr. E. D. Kentzel for information relative to the contemplated audit of the parish books. Mr. Kentzel informs us in a letter of January 10th, that the books to be audited are those of the secretary for the past twelve months. Of course, we take it that you will also have the books of the treasurer audited at the same time; accordingly, we beg to submit the following proposition:  
We will audit the books of the secretary and treasurer for the period of twelve months, or for such period as you may designate, on our regular basis of \$15.00 per day for principal accountant, plus hotel and traveling expenses. By a day is meant 7-1/2 actual working hours, extra time to be charged on same basis.  
It is our invariable rule to make examination on a per diem basis, because it is extremely difficult to tell how long it will take to complete an examination, and furthermore, under this method our clients pay only for what the work is actually worth. We faithfully promise to complete this examination in as short a time as is consistent with accurate and reliable results. We have a great deal of accounting work to do all the year round and it is necessary that we complete an audit as quickly as we can, that we may take up another.  
We will be ready to take up the work within a week after being notified that it has been awarded us.  
Thanking you for your consideration in allowing us the privilege of submitting this proposition, we beg to remain, Very respectfully,  
Hart, Bienvenu & Dasput.  
By Bienvenu.  
Moved and seconded that above bid be received and work ordered done, and report at next meeting.  
Carried.

I hereby agree to fill in all the bats sufficed to complete the work at the Tchoufouca River bridge on the Madisonville road for the price of \$1.45 per square yard.
