SCHOOL BOARD.
(Continued from first page.)

I have put my whole time and thought to the work; I have done nothing else but attend to my duties as superintendent and treasurer, and I shall continue to work just as diligent. I have been honest and conscientious in all my efforts and acts, and the mistakes I have made have been of the head and not of the heart. With best wishes for the continuance of the good work and the up-building of the schools of St. Tammany Parish.

I am very truly yours,
A. B. PETERS.
