Lion Foudles a Child.

In Pittsburg a savage lion fondled the hand that a child thrust into his cage. Danger to a child is sometimes great when least regarded. Often it comes through colds, croup and whooping cough. They slay thousands that Dr. King's New Discovery could have saved. "A few doses cured our baby of a very bad case of croup," writes Mrs. George B. Davis, Flat Rock, N. C. "We always give it to him when he takes cold. It is a wonderful medicine for babies." Best for coughs, colds, laryngitis, asthma, hemorrhages, weak lungs. 40c, \$1.00. Trial bottle free. Guaranteed by all druggists.
