TO BRIDGE THE LAKE

Mass Meeting to be Held in Covington July 19.

To Launch the Movement For Bridge Over Lake.

The Police Jury Will Attend Meeting in a Body.

Large Numbers Have Signed the Petition Circulated.

Much interest is being manifested in the movement to have a bridge built across the lake. This interest is not only manifest in St. Tammany Parish but in New Orleans also. The Police Jury has formed itself a committee of the whole to attend the mass meeting to be held in Covington on the 19th instant for the purpose of putting matters in shape and endorsing the project in the undertaking. The general impression is that the building of this bridge can be made a profitable investment aside from the increased value it will give to property, and that if its advantages are properly placed before the investors of the country it will not be such a hard matter to raise the money. A petition has been circulated in this parish and in New Orleans by Mr. H. L. Garland for the purpose of getting the proper endorsement, and it is being filled with signatures of prominent people who believe in the feasibility of the plan.
