The New Orleans Great Northern Railroad Company has made an application to the Railroad Commission for permission to discontinue the stations of Hood, Red Bluff and Pfalzheim, on the Shore Line, between Covington and Folsom; also to discontinue the agency at Cullen, on the Bogie Chitto branch.

MRS. D. I. ADDISON, Leader.

**WOMEN'S PROGRESSIVE UNION.**  
The June meeting of the W. P. U. was well attended, and enthusiastically carried on. Reports were read by various chairmen of committees formed to accomplish work already begun. Mrs. Preston Burns made a most interesting report of the work done by her committee in the cemetery, and yet she did not do the matter full justice, owing to her modesty in speaking of her own work.

Mrs. Addison read the minutes of the last cemetery committee, showing why it had become advisable to discontinue for the time being the subscription feature of the work. This will be taken up again, in some competent way, as soon as the cemetery is in as good condition as the Union can put it with the means at hand.

Mrs. Burns read the following donations to the cemetery fund:  
W. P. U., \$50; Town Council, \$50; Sale of soda water (C. C. Champagne) \$14.50, donation 25 cents, Emily Frederick \$1; H. E. Ellis \$5; P. J. Lacroix \$2; Mrs. Kloeaman \$1. Mrs. Pettus \$5. Total, \$128.00.

Donations are earnestly requested from all persons who feel interested in seeing our cemetery improved and put into good condition.

The Union is anxious to have the ground properly ditched and drained as soon as the weeds, underbrush, etc., are cleared away. The fence will claim attention next, and many necessary improvements will be made. All this requires much money, and while the ladies have stopped soliciting donations individually, yet voluntary donations will be most appreciably received.

Mrs. Wallace Poole made a report of the soda water afternoon given by the Union through the courtesy of Mr. C. C. Champagne. \$17 was cleared and turned over to the Cemetery Fund. Several entertainments were offered to the Union for the benefit of this worthy cause, and committees were appointed to take charge of same.

Resolutions endorsing the Covington canning factory were offered and unanimously voted, and members agreed to sustain said factory and use the output as far as possible.

This industry means much to Covington and the surrounding country, and its trucks, and every housewife in the town should put the demand for its goods at the head of her list.

A letter was read from Miss Kate Gordon asking donations of chickens of and Indian Runner ducks for Cam Hygeia, as the league is trying to establish a chicken farm at that place to furnish eggs to the inmates and also to the patients of the society in the city. Members present donated generously, and the president will collect at the same on Tuesday next by the 3:30 train. Anyone wishing to contribute will please send chickens and ducks to her residence during morning hours of the same day—Tuesday, June 17. This is a very worthy charity and deserves support—worthy support.

MRS. WM. BODEBENDER, President.

**POTATO TALK.**  
We received by parcel post a potato from Mr. Tom Cavalier weighing one and a half pounds. It is of the White Star variety and is one of forty barrels raised from two barrels planted. This is an excellent yield of fine potatoes and shows what St. Tammany parish can do with the right kind of farmers.

Capt. G. E. Mills raised twenty-eight pounds of fine Irish Cobler potatoes from one.

Mr. Alfred Heath filled one hamper with sixty-eight potatoes. No need to specify that these potatoes were fine.

Abita has shipped four carloads of potatoes this season.

Farmers all over the parish have raised fine potatoes. What is wanted is that all should combine and ship a few hundred carloads. It can be done.

Succession of Samuel J. Talley. No. 1981.  
Twenty-Sixth Judicial District Court Parish of St. Tammany, State of Louisiana.

Notice is hereby given to the creditors of Samuel J. Talley and all other persons interested, to show cause, within ten days from the present notification, why the final account of Mary E. E. J. FREDERICK, Clerk of Court.

**THE GULFPORT WESTERN RAILROAD.**  
A meeting of the committees of the third, sixth and tenth wards, looking into the matter of voting tax of two mills on the dollar for the Gulfport and Western Railroad held a meeting at the courthouse Monday. Mr. Robt. L. Aubert was made secretary of the committee and Mr. J. E. Nilson was made a member of the committee from the third ward. Judge T. M. Burns presented a petition in due legal form to be used by the members of the committees in obtaining the signatures of those in favor of voting the tax. We understand it requires one-third in value and amount of the property tax payers of these several wards to call an election, and if this one-third is obtained the police jury will order the election held.

It is probable that the petition will be ready to present to the police jury at their next meeting, June 16.
