When a man is sick he pays a doctor for advice before he uses it; he does the same with his lawyer. The banker gives advice cheerfully and free. When you are in financial difficulties, why not consult us? It is strange that the banker, whose advice is as cheerful as it is free, is never sought BEFORE men have risked and lost their money, but AFTER. If you want some advice or help, come in; we will welcome you.

## You Can't Be Too Careful

when you buy paint. Buying imitations may bring down the first cost but in a short time they are sure to prove expensive. Adulterated paint cracks and scales off long before good white lead paint shows any signs of wear. Be sure that your painter uses  
**Red Seal White Lead**  
(Dutch Boy Trade Mark)  
and Pure Linseed Oil.  
(Dutch Boy Painter Trade Mark)  
Insist on his using pure linseed oil. Then you'll know you're getting a quality job—most economical because it wears so long and affords real paint protection.

A special train of five coaches, carrying President C. H. Markham of the Illinois Central, W. I. Park, vice president and general manager, A. S. Baldwin, chief engineer, and other officials, pulled into Covington Wednesday. Their visit is supposed to be a general wind-up of an inspection of the road. If there was any other business in hand nobody would speak of it. Cards were left at the office of Mr. Harvey E. Ellis, who was out of town. Mr. Ernest Jahncke's private yacht steamed up to the wharf at the Covington landing and took the party to New Orleans. Some enterprising photographers got aboard and took a snapshot of the boat.

## STOPS PAIN, HEALS WOUNDS.

Royaline Oil is STRONGER THAN THE OTHER ANTISEPTICS. That gives it GREATER POWER TO EASE PAIN, inside or outside man or beast. Also makes it go further and give LARGER VALUE FOR THE MONEY. That's why it wins everywhere, over everything, when people try it. It is praised loudest by those who have used it longest. It's different. You'll like it better. Try it now. 10c, 25c, 50c. Money back plan.

### MILLIONAIRE IS TO WED FLOWER GIRL.

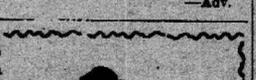

Los Angeles Oil Magnate and French Ward Plan Before Divulging Whereabouts.  
Los Angeles, Cal., Aug. 6.—As a sequel to the declared intention of United States immigration officials to begin action against Charles Victor Hall, millionaire oil operator of this city, in connection with the alleged illegal residence of Marie Rita Boutans, a Parisian flower girl, it was announced today by Hall's attorney that Hall and Miss Boutans planned to be married before divulging their whereabouts.  
Since the sensational trial of Mrs. Hall's divorce suit several months ago, in which Miss Boutans, who appeared as Hall's ward, was named by the wife of the oil magnate, government agents have been investigating the status of Miss Boutans' residence in the United States.

### \$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative power that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
