# Selz Shoes

## make lasting friends

There's a lot of pleasure in selling Selz Shoes. Most people are easy to fit with them and they are generally as well pleased over their purchase as we were in selling. Another good point about Selz Shoes is, they generally make good lasting friends. So much more pleasant to see a customer come back and order the same kind of shoes they had last season. Selz customers do this. That's why they are making the famous Selz Waukenphast that has been a Selz standard for many years. People just can't get tired of them. They're not that kind. Ever see a pair? Let us show them to you. That's a pleasure too. We like to see skeptical people come to our store. They are easily convinced. The Selz Guarantee is a "question settler." Come in and read it.

**A TRIED AND PROVED GUARANTEE.**  
Man Bought a Bottle of Dodson's Liver Tonic, Then Took It Back and Asked for His Money and Got it.  
A man recently tried out the guarantee which City Drug Store gives with every bottle of Dodson's Liver Tonic. He bought a bottle and then went back to the drug store and said the medicine hadn't helped him.  
This drug just reached into his cash register and took out a half dollar, the price of the bottle of Liver Tonic, and handed it back to the gentleman. But he didn't take the money. He owned up that he was just trying the guarantee and, as a matter of fact, he had found Dodson's Liver Tonic the best remedy for constipation and biliousness he had ever tried. "Why," he said, "my wife wouldn't be without a bottle in the house for anything. It's the best thing in the world for the whole family, and the medicine that I prefer to take or to give to my children for a liver drug."  
City Drug Store sells Dodson's Liver Tonic and guarantees it to start the liver without violence. It is taking the place of calomel everywhere. If you buy a bottle and don't find this pleasant-tasting vegetable liquid the best thing to start a liver, they will hand your money back with a smile.
