The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send off list of testimonials.

TOO MUCH LIGHT
Is what young people are apt to say about the electric on certain nights in the week. But it can be turned off in a jiffy and on again too if needed. In fact, for effectiveness, convenience and safety there's nothing like the electric light. Not to have it in your home, office or store is to be behind the times.
