A WINTER COUGH.

A stubborn, annoying, depressing cough hangs on, racks the body, weakens the lungs, and often leads to serious results. The first dose of Dr. King's New Discovery gives relief. Henry D. Sanders, of Cavendish, Vt., was threatened with consumption, after having pneumonia. He writes: "Dr. King's New Discovery ought to be in every family; it is certainly the best of all medicines for coughs, colds or lung trouble." Good for children's coughs. Money back if not satisfied. Price 50 cents and \$1.00. At all druggists H. E. Bucklen & Co., Philadelphia and St. Louis.

A CARD.

In view of the fact that there was no place in Covington where a watch or piece of jewelry could be bought, with the satisfaction of knowing that the article purchased was just as represented, I made arrangements to put jewelry on sale for the holidays. I found so much appreciation by the public, especially as I was able to meet New Orleans prices, that I have determined to put in a more complete stock of jewelry, watches, clocks, etc. I wish the public to know that these goods will always be as represented and the prices will be "right," solicit a share of your patronage.
Repair work of all kind will be done and as this department will be in charge of Mr. E. L. Jones is a guarantee in itself of first class workmanship. Prompt attention and reasonable prices on all work left with us.

Sold Hogs by Telephone

A South Carolina farmer had a large number of hogs which were ready to kill. The weather was so warm that killing was out of the question. He went to his telephone, called a dealer in Columbia over Long Distance and sold his hogs at a good price. He then called the local freight office and arranged for shipment.
The telephone is now a necessity on the farm. You can have one on your farm at small cost. See the nearest Bell Telephone Manager or send a postal for our free booklet.

Mills are Compelled to Double Their Forces to Meet the Demands.

That is what we would like to see and what we hope to see soon, but conditions must be faced as they are right now.

With the saw mills shut down and forces reduced and money scarce, every cent must be made to count. Folks must eat, regardless of whether the mill runs or not, and we have made prices on our large stock of groceries, etc., to suit present conditions.

Send us a list of your wants and let us name you prices, no matter how small the order... It is our business to save you money on the small orders as well as the large ones.

CLOSER PRICES AND LARGER SALES is the way we are making things hum, and keeping a large stock moving while many merchants are wasting their time crying hard times.

Write for prices. Send us your orders and let us add your name to the large list of satisfied customers to whom we are making shipments daily in two states.
