Gentlemen:  
I had been suffering with pains in my lower limbs and back, and a soreness in my lower limbs and back, so I could scarcely rise from a stooping position for a period of three minutes. My feet would swell every day and burned constantly. After taking this medicine, Louisiana Lou, for less than two weeks the swelling has left my feet and lower limbs entirely, and the burning sensation and pain in back are entirely gone. I know this to be the best kidney remedy on the market, as I have tried practically all the standard ones without results.

**TO THE PUBLIC.**

There are many devices and clap-trap schemes to induce purchasers to believe that they are getting something for nothing or that they are buying goods for less than their value. As we are in business to make a living we must make a profit on our sales or go out of business. Therefore we have too much respect for the intelligence of our patrons to try to humbug them with any such bait. On the other hand, we know that we must cater to all kinds of pocketbooks. There are those who wish high priced goods and there are those who cannot afford to buy them. We know what the patron wants, and all he can ask, is that the goods are as cheap as can be bought for the money, quality considered, and we also know that the only road to successful business is square dealing and honest goods. With this in view we wish to announce that we are prepared to meet this demand.

We will fit you out at moderate cost, or we will give you a more expensive outfit if you desire it, reminding you that in either case you are getting good value for your money. It is simply a matter of choice. A glance at our show window should convince you that no matter which choice you make your appearance will justify the respect of those who like to see a man creditably dressed and in good style, and we can do this either for \$10.75 or \$50.50, as you may elect. Just read the offer in my advertisement.
