COVINGTON, ST. TAMMANY PARISH, LA., SATURDAY, JUNE 20, 1914

VOL. XXXX NO 30

IT HAS FINALLY BEEN DECIDED THAT THE PARK COMMISSION WILL ASSUME THE RESPONSIBILITY OF A PARISH FAIR THIS FALL. WE SAY ASSUME THE RESPONSIBILITY BECAUSE, NOTWITHSTANDING THE GREAT VALUE OF HOLDING THESE FAIRS AND THE FACT THAT THEY HAVE IN EVERY INSTANCE PROVED SELF-SUPPORTING, IT IS STILL A GREAT RESPONSIBILITY AND REQUIRES AN IMMENSE AMOUNT OF WORK.

THERE WILL BE INTRODUCED SEVERAL NEW FEATURES THAT ARE EXPECTED TO BE VERY ATTRACTIVE, AMONG WHICH IS A FLORAL PARADE, HANDSOME SILVER CUPS TO BE AWARDED AS PRIZES FOR THE BEST DECORATED AUTOMOBILE, CARRIAGE, FLOAT, COMMERCIAL OR OTHER VEHICLE. THE FIRE DEPARTMENT WILL TAKE PART IN THIS PARADE. ESPECIAL ATTENTION WILL BE GIVEN TO THE AGRICULTURAL AND STOCK DEPARTMENTS AND PROVISIONS WILL BE MADE FOR PROPER QUARTERS FOR THESE EXHIBITS. IN FACT, IT IS INTENDED TO MAKE THE FAIR MORE THAN EVER AN EXHIBIT OF THE AGRICULTURAL AND RURAL INDUSTRIES OF THE PARISH, AND TO THIS END SUITABLE PRIZES AND COMPETENT JUDGES WILL BE PROVIDED TO ENCOURAGE THE FARMERS TO EXHIBIT THE BEST THEY HAVE.

THE MEMBERS OF THE PARK COMMISSION ARE: D. J. SANDERS, PRESIDENT; JULIAN H. SMITH, JOHN HALLER, WHIT RIGGS, JAC BOKENFOER, A. V. SMITH, C. E. SCHONBERG. MR. N. H. FITZSIMONS WILL ACT AS SECRETARY OF THE FAIR.

AT THIS WRITING THERE HAVE BEEN OFFERS OF PRIZES BY DIFFERENT COMPANIES WHO WILL EXHIBIT AT THE FAIR. JUDGING BY THE INTEREST MANIFESTED, THE FAIR PROMISES TO ECLIPSE ANYTHING WE HAVE HAD BEFORE.

## Commager's Promise to Break Records More Than Fulfilled

### St. Pauls Athletic Association Gives Covington the Opportunity of Shouting for Victory of Home Association.

The boys representing St. Paul College last Junior Day event, but the class they displayed on Senior Day wiped out the defeat on the day before with a very large margin to spare, for their total of 72 points was sufficient to beat the Young Men's Gymnastic Club with the crack Birmingham Athletic Club thrown in, as the two clubs' totals only ran up to 70 points, the Gymnastic Club making 56 and the Birmingham Club 14. As forecasted in these columns, records were shattered in ten of the eighteen events, six of which were bettered considerably, while four of them were equalled, which speaks volumes for the class of athletes competing and the condition of the new track. Most of the credit for our victory falls to the mantle of the boys from the Mississippi A. & M. College, Parker leading with 11, Wells and Scott with 8 each, Jones with 5, Rea with 3, Nobles with 2, Stouse with 1, for a total of 38 points. So that the public may understand the entries of boys from the different colleges it may be well to say that this meet is open to every athlete in the south. It is not a college event (their interscholastic events are held under that heading), for the Southern Amateur Athletic Association Union is just what its name implies—an association for any one to compete, and always with a view to elevate the game; hence, if some able contestant wishes to compete, he has the privilege of affiliating with any club that belongs to the Association, and it redounds to the credit of Coach Foster Commager that he selected so wisely and well a bunch of athletes that would prove a credit to any club in the circuit, for he out-generated "foxy" Tad Gornly, of the Gymnastic Club, as this coach selected the best point getters of the Tulane College and the Louisiana State University, and he would have been beat with the crack bunch from Birmingham thrown in.

The St. Paul boys captured all nine points in the first event on the card, the 100-yard dash, when Coleman, Wells and Nobles finished in the order named in the finals, and this race was the more remarkable when you learn that the six to qualify were evenly divided between the St. Paul College and the Gymnastic Club, as not a one of theirs finished one, two, three.

The half mile race, second on the card, found St. Paul with six more points, as Scott, winner, broke a Southern record that has stood for twenty-two years.

The third event, 120 high hurdles, had only Gymnastic Club entries which gave them nine points without competition, while in the mile event they added six points to St. Paul's three.

Event No. 5, the 440 dash, brought the Birmingham club in the pole position when Jones won after a warm tussle with Rea, and after the mile walk another event in which St. Paul College failed to have an entry. The total points scored were Gymnastic Club 22, St. Paul 21.

St. Paul College took the lead again when the seventh event was completed, as this 220 yard dash event gained four St. Paul entries, three of whom finished one, two, three. In the low hurdles St. Paul added five more points to their credit, when Jones beat three of the Gymnastic members, one of whom was the holder of the Southern record.

The three mile run was one of the features of the meet. Claiborne of the Birmingham Club, clipping nearly a minute off the former record, and decisively defeating the holder of this record by nearly a quarter of a mile, finishing up the last hundred yards as if just starting on a sprint; and this record bids fair to stand for some time, with Claiborne eliminated.

St. Paul added laurels when Parker defeated Schroth in the pole vault event, and Werle's gave Griffin, of Mansfield, who was representing the

Gymnastic Club, a hard tussle in the running high jump. The score at the end of this event stood: St. Paul 44, Gymnastic Club 39.

Parker, of St. Paul, tied the score in the running broad jump with 21 feet 9 1/2 inches, and Gueno, of St. Paul, took only one jump to win the hop, step and jump event, with parker finishing third.

The Gymnastic Club scored again on the shot put, when Dutton, of L. S. U., beat the field; but in the hammer throw Commager and Barcello finished one, two for St. Paul, while third place was the best they could get in the discus. Delcambre, of St. Paul, broke his own record of the day before in the javelin event with a throw of 158 feet and 3/4 of an inch, while the last event on the card, the 56-pound weight, found Barcello in third place.

On both days St. Paul carried off honors in the relay race, and while this event does not call for any points, it adds prestige to the winners.

The winners of each event and records for same are as follows:

### Baton Rouge Letter.

Baton Rouge, La., June 10, 1914.

Editor St. Tammany Farmer:

Supt. Lyon, W. H. Kahl and the writer reached here Monday morning at 9:20, leaving Covington at 6 a. m. The country along the road looks prosperous, but the soil is no better than in good old St. Tammany. Mr. Kahl says some land we saw is not fertile enough to sprout a cow pea. He also said he feels sure it has rained at Bush as he saw a dark cloud in that direction before he left Covington. I think so too, if our home folks have had a rain like here yesterday afternoon. It rained and poured for two hours immediately after the race gamble bill was laid to rest in the Legislature. The heavens wept for joy. There are hundreds of lobbyists on hand, all playing politics, which are as wonderful as the ways of the heathen Chinese. Our Heintz is on his job all right, and thus far has voted as his friends desired. He will not try to get the Legislature to try to remove our parish courthouse to Slidell, at present.

The city is crowded and we had a little trouble to get rooms, and had not Judge Burns put us next to the fact that he had given up his room in a private boarding house, one of us three would not have been located so pleasantly. Supt. Harris arranged for the overflow of the school people at the blind asylum and the deaf and dumb institute—none sent to the lunatic asylum.

There are many school fellows here, and verily the school spirit is abroad all over the State, if one is to judge by the enthusiasm exhibited. Last night the stereopticon slides of school buildings and scenes was inspiring—five hundred of 'em, and the following from our parish: Slidell building and high school brass band; old and new Covington buildings; old Helten and new Oak Grove; old and new Tallahatchee and several slides of our parish rally. We show up o. k. Supt. Lyon will give, in the picture shows in our parish, all his slides along with others, and all bearing upon the subject matter. We are in for getting the habit more than ever, and it's a mighty good one, too. Don't let us waste time in figuring why a black hen lays a white egg. Let's get the egg, and other fruits shall be added thereto. In the moving pictures of the State high school rally, in this city, our Slidell boys are seen in action. They ran some.

The State Summer Normal opened yesterday with a large attendance. Mrs. Daisy Fuller, of the Slidell high school faculty is one of the directors of music—selected for her superior merit. And this reminds me to say that Gov. Hall has appointed Fritz Howe as a delegate from the Slidell high school to attend a school meet in San Francisco during the fair next year.

From what I can learn, none of the parishes have any School Improvement Leagues superior to ours. Supt. Harris also repeated his remarks in Slidell and Covington, relative to the display of our school spirit—none superior in this State. If we can put into effect only a part of the suggestions advanced for school improvement, we shall be going some and grow more efficient in the work.

C. M. LIDDLE, P. S.—The moving picture machine caught us to-day.

### NOTICE.

Notice is hereby given that at the next regular meeting of the board of aldermen of the town of Abita Springs, La., to be held July 7, 1914, a franchise will be awarded for 25 years for an electric light plant to be located within the town limits, and bids received from operators of such plants to furnish the town with twelve 48-candle power lights, and other lights as may be required.

J. E. GLISSON, Mayor.  
A. O. PONS, Clerk.

## ABITA SPRINGS PREPARING TO HAVE ELECTRIC LIGHT IN TOWN

### FRANCHISE WILL BE GRANTED FOR THIS PURPOSE BY TOWN COUNCIL.

### EFFORTS TO MAKE TOWN ATTRACTIVE

### Finest Medicinal Waters in the World With Other Attractions for Visitors, Should Make Friends.

The first move in a proposition to give Abita Springs electric lights in the streets and residences is now being taken in the probable grant of a franchise for that purpose. This is a very important step, for the lighting of the pretty town would give visitors and home people an opportunity to enjoy the cool air of the evenings, when the odor of the pines makes the exercise of out-door walking very agreeable and stimulating, and the promenade to and fro from the springs for the evening glass of water would be a pleasure, bereft of the anxious groping in the dark. Abita to-day has quite a number of visitors, and it promises year after year to become popular. The value of its medicinal waters has been learned by actual test, and if visitors find that other attractions are being offered for their comfort and amusement new lists will be added to the old.

Every Sunday lovers of sport will find a good game of ball at the new park, dances are given at the pretty pavilion and there are picture shows at night. Hotel accommodations are excellent, and with this new lighting of the town at night Abita should prove quite an attractive place.

### CLAIMS TO HAVE THE DUNBAR CHILD.

### Anonymous Letter to District Attorney Garland Reawakens Interest in Old Case.

Opelousas, June 17.—District Attorney Garland has received an anonymous letter declaring the real Robert Dunbar is in New Orleans, and the writer offers to restore the child to its parents if he is assured immunity. Mr. Garland did not inform the Dunbars of the receipt of the letter, and said he did not consider it of enough importance to give out the contents. Mrs. Dunbar is in New Orleans and Bobbie, whose identity was settled at the recent trial. C. P. Dunbar knew nothing of the letter when questioned about it.

The writer of the letter said he came into possession of the child legitimately and had cared for it. The child is now said to be ill and has suffered the amputation of a finger on its left hand.

### ST. SCHOLASTICA'S ACADEMY.

The Eleventh Annual Commencement of St. Scholastica's Academy will take place Wednesday, June 24, at Bogue Palaya Park pavilion, at 11 o'clock a. m. The public is cordially invited to attend, however, it is desired that babies and small children be kept quiet or removed from the pavilion.

### NOTICE.

Now is the time to get your canning machine. Under the law I am not allowed to receive commissions, so I give you the benefit of that commission and take it off the price of your machine. Can get you up a good label and save you money. I will order your cans, also, and save you money. Have you anything to can? If so, get in touch with me. I can be of service to you.  
G. C. LEWIS, Farm Demonstrator.

Mrs. Morgan, wife of Congressman Lewis L. Morgan, who is home for a month, after a delightful season spent at Washington, D. C., where she has made many friends. She is very much interested in her husband's career and is a co-laborer with him of no small importance.
