New Orleans, La.  
Gentlemen:  
I had been suffering with pains in my lower limbs and back, and a soreness in my lower limbs and back, so so could scarcely rise from a stooping position for a period of 12 or 15 minutes. My feet would swell every day and burned constantly. After taking this medicine, Louisiana Lou, for less than two weeks later, swelling has left my feet and lower limbs entirely, and the burning sensation and pain in back are entirely gone. I know this to be the best kidney remedy on the market, as I have tried practically all the standard ones without results.

**There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable.**

For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J.
