### A NEW GROCERY STORE.

Mr. Alvin Martindale, who for a long time has been with the McCormack grocery store, will establish a grocery business of his own adjoining the Lacroix dry goods store, and will be open next Wednesday. He would be pleased to see his friends at his new stand and will be glad to make new friends and patrons, guaranteeing first-class goods, prompt service and reasonable prices.

The editor has received a handsome leather key case from the Silldell Grocery & Cold Co. Just the thing needed, this warm weather, to keep the keys clean and free from rust. Thanks.

We regret that the crowded condition of the paper prevents comment on the work of the new administration and the excellent report of Auditor Robt. L. Aubert, but we will have something to say next week.

### BASEBALL

The St. Tammany Reds of Madisonville defeated the invincible Pochatoulas, at Madisonville, Sunday, by a score of 3 to 0. The Madisonville boys outplayed them all around in a good fast game. Batteries were: St. Tammany Reds, Brimerhoff and Ouilber; Pochatoula, Rainwater and Lyons.

A return game will be played.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly falling to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and there fore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It acts internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. Cheney & Co., Toledo, Ohio.

Sold by druggists, 75c. Take Hall's Family Pills for constipation. —Adv.

**VIOLATION OF HITCHING ORDINANCE.**

Mrs. S. M. Poole and baby narrowly missed being seriously injured, if not killed, last week, through the non-observance of the hitching ordinance. An unhitched team near the St. Tammany Ice & Manufacturing Co. became frightened and ran away. The wagon struck Mrs. Poole's conveyance, badly damaging it and throwing Mrs. Poole and her baby in the street. Both were knocked unconscious. The baby was not otherwise injured, but Mrs. Poole is still suffering from an injured hip, caused by the horse stepping on her.

There has been a run-away nearly every day for the past ten days. The hitching ordinance, if observed, would have prevented many of them. It should be enforced. Officers should take charge of every unhitched horse found within the town limits.

Mr. and Mrs. Alex Butler, of Algiers, spent a very enjoyable day here on the Fourth and entertained a few of their friends.

We are all glad to learn that Mr. John Hansbrough and family, of Silldell, will make Mandeville their home.

Mrs. M. E. Middleton, of New Orleans, arrived at Eagle Lake, Texas, where she will be married early in November.

The stork has again visited the home of Mr. and Mrs. Joseph Smith. Many good wishes to the mother and baby boy.

**HAS YOUR CHILD WORMS?**

Most children do. A coated, furred tongue, strong breath, stomach pains, circles under eyes, pale, sat low complexion, nervous, fretful, grinding of teeth, tossing in sleep, peculiar dreams—an one of these indicate a child has worms. Get a box of Kickapoo Worm Killer at once. It kills the worms—the cause of your child's condition. Is laxative and aids nature to expel the worms. Supplied in candy form.
