to become serious when a bottle of

COVINGTON HIGH SCHOOL NOTES.

High school enrollment, 90; grade
enrollment, 284. Total 374.
School was discontinued on Wed-
nesday afternoon that pupils and
teachers could view the floral parade.

Mrs. Young, the 11th grade teacher
was absent on Wednesday of last
week on account of sickness. Mrs.
Park substituted for her.

As the second month of school
ended last week the pupils have been
busy with monthly examinations.
Nevertheless the inter-class basket-
ball games have been played at inter-
mission. This week the tenth grade
boys won a victory over the eighth
grade; and the eleventh grade girls
lost to the tenth grade by a score of
6 to 5.

The Madisonville girls are coming
Friday evening to play the high
school girls. We expect to give them
a good game.

Six new pupils have entered the
high school in the last two weeks.

On the first day of the fair (Wed-
nesday) the school children were out
on a half holiday so they could wit-
ness the floral parade.

Fifth grade roll of honor: Percy
Theriot, Lucy Glass, Mildred Smith,
Spelling match won by Jeff Thomas.

Roll of honor, first grade: Albert
Blow, James Champagne, Jack Gar-
rison, Henry Hebert, Bert Heintz,
Jared Heintz, Scallian Walsh, Irma
Cooper, Bluma Campbell, Dorothy
Diets, Inez Dufour, Josie Frederick,

Garrison, Thelma Lacroix, Francis
Lloyd, Florence Morrison, Evelyn
Muller, L. Z. Page, Irene Reader,
Alicia Sawaya.

Emma Celeste Thibodeaux is back
in the first grade, after a long spell
of illness.

Four new pupils entered the first
grade this week.

Mr. Haller presented a fine picture
to the seventh grade. We are very
proud of it.

A petrified potato was donated to
the seventh grade room to be put
among the curios.

We regret the continual absence of
two of our pupils, Elmore LeBlanc
and Merton Minke.

The seventh grade gave a candy
sale Friday, October 23. It was a
success. We made \$9.20.

SLIDELL SCHOOL NOTES.

After having been suspended a
week on account of diphtheria, school
reopened Monday with full attend-
ance.

The new pupils enrolled this week
are Roscoe Moran in the first grade,
Pomella Moran in the fourth grade,
Thyrna Woodruff and Vera Moran in
the sixth grade.

Miss Scogin, the third grade teach-
er, was called recently to Georgia, on
account of the death of a relative.

During her absence her room was
in charge of Miss Bertha Perreand,
of Covington.

The dates of the games scheduled
for the boys' basketball last week
were canceled due to the suspension
of school. However, a heavy schedule
will be carried out later. The team
composed of Fritchle, Givens, Sea-
bastian, Oliver, J. Parker, R. Park-
er and Penny, bids fair to become
the best the school has ever had.

Mrs. B. P. Donham and Mrs. T.
J. Edkins entertained a number of
the teachers last week. Wednesday
evening they will be entertained by
Miss Estelle Gillis.

ONWARD SCHOOL NOTES.

The school boys played their sec-
ond basketball game last Saturday
with Folsom on the latter's ground.
The game was in our favor with the
score of 20 to 12, considering the
little training of both teams the game
was a good one. All of our players
put up a fine game. The line-up was
as follows: Forwards, Ellis Jourdan
and George Thompson; center, Ed-
ward Slattery; guards, Vern Bailey,
Edgar Rogers and Murphy Jourdan.

MANDEVILLE NOTES.

These notes and the advertisement
columns of this paper are to be watch-
ed every Saturday for something un-
usual and phenomenal soon to ap-
pear.

Through the courtesy of the Wom-
en's Progressive Union, the regu-
lar monthly meeting of the St. Tam-
many Parish Medical Society, next
Tuesday afternoon, will take place at
the W. P. U. hall, at which time
there will be a symposium on Pul-
monary Tuberculosis, led by Dr. Wal-
lace J. Durel, Medical Director of the
Covington Tuberculosis Sanatorium,
and recognized as a leading expert
and that line. As the subject is one
of general and vital public interest
the members of the W. P. U., school
teachers and managers of public
buildings have been invited to attend.
The meeting will close with a luncheon
for members only, in honor of
Dr. Durel and the society's second
anniversary.

Congressman L. L. Morgan, who
came home to vote in this week's
election, is receiving the congratula-
tions of and exchanging the glad
hand with his legion of friends.

The election last Tuesday was very
tame and the vote unusually light,
because of a lack of something to
arouse local interest.

The ball given Halloween night for
the benefit of the public school, i. e.,
to extend the school term, did not
receive the patronage it deserved.
The patrons and friends of our school
cannot feel the small outlay
needed to make them very success-
ful on the theory that "every
little helps" they will be surprised,
provided they cheerfully give a little
more of their time and substantial
assistance, to find next April that the
fund is sufficiently large to provide
for two additional months schooling,
thereby directly benefiting the child-
ren and indirectly themselves, there-
fore "let's be up and doing."

One of the prettiest card parties
of the season was the one given by
Mrs. H. Carroll on Saturday last.
Mrs. Carroll's bungalow on Carroll
street is one of the prettiest in Man-
deville, and with the added halloween
decorations was most picturesque.

The living room and dining room
were filled with everything to suggest the
day. The mantles were banked with
autumn leaves and black eyed Susans
and the color scheme, black and
yellow, was carried out in every de-
tail. Black cats, owls and goblins
tailed peeped from every nook and
corner. After cards a delicious hot
and cold luncheon was served. The table
decorations were unique and the sou-
venirs quaint and pretty. After the

Some Interesting Figures

There are four banks in the parish of St. Tammany. In answer to the
last call from the State Bank Examiner, under date of Sept. 22, 1914,
the loans and discounts carried by these banks were as follows:

Covington Bank & Trust Co. \$393,799.54
Other three banks..... 342,753.13

And yet some people say our bank is "tight." We do use a good deal of
caution in placing our loans, which we think is right and proper in order to
protect the depositors, but there is never a time when our customers cannot
come to us and get aid when their propositions are reasonable. The reason-
ableness of the proposition is passed on by our loan committee.
