FRANCIS DUBUISSON.

Entered into eternal rest, Saturday, November 28, 1914, Francis Dubuison, aged 88 years and 9 months, a native of Lacombe, but for 62 years a resident of Bonfouca. When the Civil War broke out Mr. Dubuison enlisted in the Confederate army and served with distinction throughout the war.

Fifty-nine years ago in the little room where his devoted children bid him a sad farewell, he married a sweet Southern girl, Miss Marie Pena. Of this union thirteen children were born to them, all of whom survive, except one, Mrs. Louise Lazzaman, who died several years ago. Six years ago the gentle, sweet faced little mother went home to God, and over the old man's life came a shadow that only our divine Master can lift.

All that love and devotion could do was done by his children, but the sunshine had gone out of his life. He looked forward only with pleasure to the time when he should meet her whom his soul loved. The birds sang, the flowers bloomed in vain for him. There just was nothing left to live for. What a beautiful reunion must indeed have been theirs. A devout Catholic, he died with all the rites of that faith. One in life, one in death. Sunday evening at 3 o'clock the remains were interred in the same flower-covered tomb that held the remains of his love of many years. What a beautiful example of Christian marriage.

Mr. Dubuison is survived by one brother, Mr. Joe Dubuison, of Pass Christian, Miss., who is now 95 years of age; one sister, Mrs. A. Quave, and seven sons, Sylvio, Adolph, Edward, Leopold, Leon, John J., and Alcide; four daughters, Mrs. Madison, Mrs. L. Badon and Miss Artomise and Odile Dubuison.

Interment was made in the Bonfouca Cemetery, Rev. Father Bernard Officiated. To the bereaved family we extend our sincere sympathy.

COVINGTON HIGH SCHOOL NOTES.

Our "Hi" boys played quite a series of games these past few months. They have to their credit five out of six games. Now this is not a bad record at all.

Ninth Grade.

A literary society was organized in the high school department. A pupils from each room was appointed reporter. Ethel Fisher was selected from our room. The first meeting will be held Thursday.

A class pennant has been ordered for the ninth grade. William Warner, a ninth grade pupil, has resigned from school.

It is more blessed to give than to receive. This beautiful thought was carried out by the teacher and pupils of the fifth grade, in the Covington school on Thanksgiving Day, when they each brought something of their blessings to send out to the needy.

A large hamper, holding five baskets of groceries, was sent to the King's Daughters to send to as many families, and the boys and girls of this fifth grade had done something to be thankful for.

SLIDELL HIGH SCHOOL NOTES.

A great deal of interest is being manifested in the school work in all the grades. The first grade pupils are interested in the dramatization of stories. In connection with these they are illustrating them with paper and scissors.

In connection with their language work, the fourth grade is studying the various steps in the manufacture of postum cereals.

The sixth grade find the pamphlets issued by the Board of Health very useful in connection with their hygiene lessons. The high school has recently subscribed to twenty copies of Current Events.

On Friday, the history classes are studying the European war and other current topics. The girls' high school basketball team played a game with the Picayune girls' team, in Picayune, on Thanksgiving Day, and reported an enjoyable time.

There were two games of basketball played here Saturday between the Franklinton Boys' high school team and the Slidell high school team. The morning score was 12 to twelve, and the afternoon score was 15 to 10, in favor of Franklinton.

The girls expected to have a game Friday with Covington, and were greatly disappointed because of Cov-

ington's inability to accept this, their second challenge.

Miss Elizabeth Poirrier visited Picayune last Thursday. The teachers and pupils are still receiving congratulations on the splendid Thanksgiving program, given in the auditorium Wednesday afternoon of last week.

The largest number of visitors that we have ever had were present. Mr. Morrel and Prof. C. E. Hooper are preparing a musical concert to take place December 18th, in the school auditorium.

Mr. C. M. Liddle is a frequent visitor to our school. CORRESPONDENT.

EDWARDS SCHOOL NOTES.

Out of hearts filled with pleasure and gratitude for the silver cup awarded the pupils of the Edwards school in the recent parish fair parade, a desire to give a thank-offering of some kind grew, and so through the kindly advice of their teacher, Miss Christina Fitzsimons, a basket was planned for the needy on Thanksgiving Day.

Mrs. D. I. Addison, leader of the King's Daughters, returns grateful thanks to these happy pupils and teacher for the four baskets filled with groceries, which were sent to as many families in need.

We are glad to learn of Mr. Ezell's recovery. The young folks enjoyed a delightful time Saturday night at the home of Mr. and Mrs. T. J. O'Keefe's. Refreshments were served and games played, and afterwards dancing.

Mr. Theo Bohne was a Blond visitor Wednesday. Mr. Fisher will make his future home here. Wedding bells are about to ring in this vicinity.

PILGRIM REST SCHOOL.

The Thanksgiving program prepared and announced for Friday was postponed until Monday afternoon, because of inclement weather.

Quite a number of parents and visitors gathered to witness a very creditable performance. There were several songs, recitations and a play illustrating life among the Puritans.

The recitations by Ernest Lloyd and Alvin Buttrich deserve special mention, also "Chrysanthemums," by Hazel Dickson. But by far the prettiest part of the program was the autumn drill by girls and boys. In this the little girls wore charming crowns of flowers, autumn leaves and holly, and their white dresses were decorated in like manner. It was really beautiful and every one agreed that Miss Norchauer deserves great credit in originating and carrying out this part.

IN MEMORIAM.

In loving remembrance of Mrs. John C. Lemons, who departed this life on Tuesday, November 24, 1914, at 8 o'clock a. m.

'Tis hard to break the tender cord, When love has bound the heart, 'Tis hard, so hard, to speak the words Must we forever part.

Dearest loved one we have laid thee in the peaceful grave embrace, But thy memory will be cherished 'Till we see thy Heavenly face.

Yet while we weep above the sod That shuts thy form from sight, We know 'tis best, the will of God is ever right.

And so we whisper peace and rest, Above thy grave so green, And leave thee in thy Heavenly home With Christ, thy spouse, to reign.

The one we loved so dear, Her voice no more we hear; Sunshine, gladness, all is o'er, Dark and lonely is our home, Since dear mother from us has gone, But the Lord hath called her To sleep in Heaven, dream, and be at rest.

The gentle voice is hushed, Thy warm true heart is still; On thy pale and peaceful face Is resting death's cold chill; Heaven has now our treasures, Earth the lonely casket keeps; For the sunbeams long to linger Where our dear one sleeps.

BENNETT FARRIER WINS PRIZE.

To 15-year-old Bennett Farrier falls the credit of having submitted the best out of 18 papers in the L. U. Babin Special at the fair. This contest was for a \$5.00 gold piece for the best paper on "Why East Baton Rouge Parish is a Good Place to Live."

Young Farrier has been a frequent visitor to Covington, being a guest of Mr. Cooter, when he was here, and at other times camping out with friends who came with him from Baton Rouge. He is fond of hunting and fishing, and shows the aptitude of the young American by handling the pen with facility, as well as the rod and gun.

A negro named Benton shot at Mr. Smith, of the turpentine company, at Ramsay, last Saturday, in a dispute about \$4.00. He then made tracks.

CONTRACT AWARDED FOR PEARL RIVER ROAD.

The contract for the building of the Pearl River Road has been awarded to Arthur Dotson, of Houltonville. The bid was \$24,000, being \$1470 under the next lowest bid of Boyd & Bradshaw, the bids ranging as high as \$34,000. The road will be 28.8 miles long. W. E. Atkinson, State Highway Engineer, was present, and pronounced the bid low, probably because of scarcity of work. The road will run from Covington to Abita Springs, to Tallahack and to Pearl River.

Killed in Mandeville.

James Baldwin kept a restaurant at Mandeville. On the night, November 26, Charles alias "Bad Eye," another created a disturbance at the restaurant and broke up dishes. Baldwin put him out. The following night Joseph returned, and a woman and two other negroes were playing casino. Joseph called up and asked them all to go home. He said he had not been right. Baldwin answered, Joseph had broken his dishes had rung up for the officers to bring him out. Joseph then was shot and shot Baldwin in the thigh. The Baldwin woman attempted to go in search of help, but Joseph stood over Baldwin with the gun and would not let any body touch him. He said, "I am alone; I want him to bleed." He forced a negro to bring a knife with which to remove the bullet from the man, where it had been. He then told them all to go home. These facts were brought to the attention of the coroner. Joseph is a rouser and hanging around Mandeville some time. He is well known as a combe.
