DEAFNESS CANNOT BE CURED.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

PEARL RIVER SCHOOL NOTES.

Pearl River has been silent for quite a while, but, while not making much noise has been active on the inside.

Friday, Dec. 11, was "Big Day" with our school. A program by the literary society was rendered, followed by a basketball game between the boys and girls of the school, in which the girls were victorious by a score of 7 to 8.

Several of the patrons were present and expressed their sentiments on the school, all saying that they were well pleased with the work that was being done.

The girls' basketball team of our school journeyed to St. Tammany Saturday and played the girls of that school two games, in which the Pearl River girls were victorious in both games, the score being 22 to 10 and 10 to 4. We heartily thank the teachers, pupils and citizens of that place for the hospitality shown us while visiting their school.

The pupils of our school are preparing a short program to be given in connection with the Christmas tree on the night of December 24.

On account of bad weather and sickness several of our pupils have been absent from school a number of days making our attendance small. Mr. H. F. Stafford, principal of our school will spend the Christmas holidays with his homefolks at Franklin, La.

With best wishes for the success of the St. Tammany Farmer.

Bring your laundry to H. J. Ostendorf on Monday and Tuesday mornings and you can call for it on Saturday. Agent for Dixie Laundry.

H. J. Ostendorf, Covington Bank Building.

BEN WILLIAMS NOTES.

We wish to tell you of our method of raising money for library books and other necessary expenses.

We had three girls go around with three petitions asking the people for money. Georgia Crawford raised \$10.10, Cora Williams \$9.55, and Lydia Talley \$8.30. Total, \$27.95.

First, the teacher of the school must contribute something in order to get the pupils and patrons interested. Our principal gave \$4.50 and our assistant \$1.00.

Our girls have raised money and purchased a basketball and goals. They are learning to play. We enjoy it very much. We'll soon be ready to play some match games. The boys also have a volley ball.

Our teachers attended the teachers' institute last Friday and Saturday. Mr. Schilling reported that it was the best he ever attended.

Mr. John Dominique gave them three lessons on the Palmer method of writing.

Supt. E. E. Lyon discussed the importance of the protection of birds and all pertaining to nature.

Our first term will soon come to a close and the pupils are all looking forward to the final examinations, which will begin Thursday.

BY TWO PUPILS.

The patrons of the Ben Williams school are much pleased with the progress of the school this season. The teachers are very much pleased with the attendance this month.

Ben Williams school is preparing for a large Christmas entertainment for December 24th. The children are all very much interested and are looking forward for Santa Claus. A very interesting game of basketball will be played after the program by the Ben Williams and Union Grove boys. The game begins at 2:30 p. m.

The literary society is a great benefit to the school. Miss Alma Brown was the guest of Miss Valeria King last week.

Mr. Ellis Fauntleroy was the guest of Mr. Frank Fauntleroy last week. Listen for the wedding bells at Ben Williams.

UNION GROVE NOTES.

School is progressing nicely with a very large attendance.

We now have an enrollment of about sixty pupils and are expecting more after Christmas.

Quite an exciting game of basketball was played between the Sun and Union Grove school teams Saturday, December 12. The score being 17 to 8 in favor of Union Grove.

This is the second game Union Grove has played this season and were victorious in both games.

Mrs. W. R. Galloway spent the week with her parents at Blount.

Mr. and Mrs. W. M. Galloway, of Blount, attended the ball game Saturday.

A number of the school children were entertained at the home of Mr. and Mrs. W. H. Fauntleroy Saturday night. A few games were played and then all marched to the dining room, where cake, lemonade and fruit was served.

Prof. Galloway and wife spent Saturday night at Mr. W. H. Fauntleroy's.

Miss Lillie Fauntleroy spent a few days last week at Blount as the guest of her cousin, Mrs. W. M. Galloway.

We are sorry to learn that Mr. and Mrs. J. D. Corkern, who have been residing here for the past year, are going to leave us, returning to their old home at Enon.

We are sorry to learn of the illness of Mrs. H. Sharp, and hope she will soon recover.

Mrs. Luvenia Taylor, who had been spending awhile in Covington, visited home folks here last week.

Mrs. Coraice Sharp and Mrs. G. Wilson visited relatives and friends here Sunday and Monday.

We are glad to know that Mr. J. D. Fauntleroy, who has been in the hospital in New Orleans for the past month, has returned home very much improved.

Christmas holidays will soon be here and every one is looking forward to a grand time. Santa is getting ready to visit all the good boys and girls and make their hearts glad.

LANGUAGE MADE IN GERMANY.

I was once sitting on the veranda of a hotel at Boppard, on the Rhine, when the commanding officer of the garrison of Ehrenbreitstein drove up in a motorcar. He pointed to a sign bearing the word "Garage" and said that if the word were not changed he would place that hotel out of bounds for all officers and for all the men of the garrison. Next day there appeared on the sign a word "Kraftwagenabstellraum" (power wagon-standing-in-room). — London Outlook.

RHEUMATISM PAINS STOPPED.

The first application of Sloan's Liniment goes right to the painful part—it penetrates without rubbing—it stops the rheumatic pains around the joints and gives relief and comfort. Don't suffer! Get a bottle today! It is a family medicine for all pains, hurts, bruises, cuts, sore throat, neuralgia and chest pains. Prevents infection. Mr. Chas. H. Wentworth, California, writes: "It did wonders for my rheumatism, pain is gone as soon as I apply it. I recommended it to my friends as the best liniment I
