to Hickory Creek Church, to connect at Hickory Creek Church with the Pearl River-Talishook road.

Whereas, the right of way for a road along the side lines has already been secured and the said line will be the most direct connection between the towns of Pearl River, Florenville and Abita Springs and will be of benefit to the greatest number of people; and

Whereas, this body has heretofore declared its intention to make a public road alongside the right of way of the old East Louisiana Railroad; and

Whereas, for the above reasons, and the other reasons set out in the said petitions presented, this body is of the opinion that a road along the lines above set out should be the next road constructed in the parish out of the proceeds of the bond issue heretofore authorized; now, therefore,

Be it resolved, That a good road be built from Abita Springs, Louisiana, alongside the right of way of the old East Louisiana Railroad to Florenville, Louisiana, and thence to Hickory Creek Church, to connect at Hickory Creek Church with the Pearl River-Talishook Road;

Be it further resolved, That the road district or road committee of the parish be and it hereby is directed to forthwith cause a road to be surveyed along the lines above set out, and to cause said road to be the next road to be constructed in this parish, and to build the same forthwith.

Be it further resolved, That this body as the governing authority of all road districts within the parish, does hereby direct the Road District heretofore constituted to make such changes in the road above outlined for the reasons set out in the petitions this day presented by a large number of citizens and taxpayers of the parish, and to proceed to have specifications for the same prepared and survey made, and a contract therefor let, with all convenient speed and to make no contract or provision for any other road until the road above outlined has been contracted for.

It was moved and duly seconded that the above resolution be adopted. Carried.

The following petition was read: To the Honorable Police Jury of the Parish of St. Tammany, Louisiana.

We, the undersigned citizens, taxpayers and residents of the first and third wards of this parish, respectfully request that your honorable body build a road for us starting at Paderas bridge and running to Goodbee station, and paralleling the tracks of the Baton Rouge, Hammond & Eastern Railroad, the whole road to cover approximately a distance of one and three-quarter miles.

The advantages to the undersigned petitioners and to the parish of your honorable body building this road are as follows:

First, it will shorten the distance from the town of Covington, where some of your petitioners visit to trade, to Goodbee, about one-half of the present route.

Second, it will form a connecting link with the Turnpike Road and possibly with the proposed model highway from Hammond to Covington.

Third, the cost of construction will be small as the necessary rights of way can be secured without cost to the parish, and it will serve a large and growing section of the parish in a number of ways.

Signed by Henry B. Pruden and 44 others.

It was moved and duly seconded that the above petition be laid over until next regular meeting.

ability that we may play them again here this season. Manager Lobsenz is ready and willing to do so and the part of the question is up to the Cincinnati Club.

(Daily States, March 24)

Temporary peace has been declared by the New Orleans and Cincinnati Clubs in the controversy over exhibition games. The first step towards a renewal of friendly relations was effected Wednesday forenoon by Frank Bancroft, business manager of the Reds. Bancroft was an early visitor at Pelican headquarters and when he finished talking, President Heinemann consented to allow Manager Dobbs to send the Reds against Herzog's men on the ball field.

As a result of Bancroft's diplomatic stroke, Manager Herzog has altered his plans. The Reds are not going to duck out of New Orleans Wednesday night. Instead, Herzog says he is going to have the pleasure of telling Heinemann what he thinks of him. And that is not all. Heinemann says he is going to reply to whatever Herzog hurls at him, and furthermore, he is going to be equipped for a battle royal.

Bancroft, it seems, hinted to Heinemann that Herzog is of fiery disposition and is fond of convicting an opponent he is very handy with his lunch hooks. Of course, Bancroft didn't threaten Heinemann. He only warned him, as it were, suggesting he remain away from the turnstile as Herzog and his players would pass through on their way to the ball field.

"I'll be ready for Herzog or anybody else," Heinemann told the States. "and if he lays a hand on me there is going to be some fun." Exactly what character of amusement the Pelican mogul contemplating providing
