SOME FORMS OF RHEUMATISM CURABLE.

Rheumatism is a disease characterized by pains in the joints and in the muscles. The most common forms are: Acute and chronic rheumatism, rheumatic headaches, sciatic rheumatism and lumbago. All of these types can be helped absolutely by applying some good liniment that penetrates. An application of Sloan's Liniment two or three times a day to the affected part will give instant relief. Sloan's Liniment is good for pain, and especially rheumatic pain, because it penetrates to the seat of the trouble, soothes the afflicted part and rws the pain. "Sloan's Liniment is all medicine." Get a 25c bottle now. Keep it handy in case of emergency.

MADISONVILLE MAIL.

An order has been issued by the Postoffice Department to be observed by the carrier of the star route between Covington and Madisonville, to the effect that the carrier is not to make his departure from Covington until 3:00 p. m. instead of 2:00 p. m.

This matter was taken up with the Department from a complaint of the patrons of the Madisonville office that the train was invariably late getting into Covington and the consequences were that the carrier departed without the mail for Madisonville.

C. S. FREDERICK, Secty. to Cong. Morgan. SPLENDID FOR RHEUMATISM. "I think Chamberlain's Liniment is just splendid for rheumatism," writes Mrs. Dunburgh, Eldridge, N. Y.
