THE COVINGTON FIRE DEPARTMENT.

New interest was given to the Covington Fire Department when it moved its engines into the new building...

On the first page will be found an open letter by Mr. J. R. Barrios, secretary of the association. It will be noticed in this letter that there are very few supporters of the Fire Department outside of the regular membership...

The appeal made by Mr. Barrios for honorary membership is deserving of consideration. There are not half a dozen at present. The cost of this membership is five dollars.

It is encouraging to note that in Mr. Barrios' letter that the St. Tammany Ice & Manufacturing Co. is doing what it can to increase the supply of water, and that the department is more efficient than ever in this respect.

MAKING AND KEEPING GOOD ROADS.

The statement of road construction and the disbursement and handling of the road funds, published on the sixth page, shows that the work of the Good Roads Committee has been conducted in a methodical and business-like manner...

There has been considerable discussion of this matter, both among members of the police jury and unofficial citizens, and the general feeling seems to be that the two-mill tax now used for road purposes should be put into a general fund for the maintenance of all the roads...

As the term of the present police jury expires soon, there should be some means of learning how the new members will act on this matter. It has not been customary for candidates for position on the board to make announcement of their plans or views as to the management of parish affairs...

You can't prevent an attack of rheumatism from coming on, but you can stop it almost immediately. Sloan's Liniment gently applied to the sore joint or muscle penetrates in a few minutes to the inflamed spot that causes the pain. It soothes the hot, tender, swollen feeling, and in a very short time brings relief that is almost unbelievable until you experience it. Get a bottle of Sloan's Liniment for 25c in any drugstore and have it in the house—against colds, sore and swollen joints, lumbago, sciatica, and like ailments. Your money back is not satisfied, but it does give instant relief.
