

AMENDMENT to Charter of SLIDELL DRY DOCK AND SHIP-BUILDING COMPANY.

Be it known that on this 16th day of September, 1915, before me, Benjamin M. Miller, a Notary Public within and for the parish of St. Tammany, State of Louisiana, and in the presence of the undersigned witnesses, personally came and appeared F. W. Salmen and E. F. Halley, residents of said parish, to me personally known, who declared that the said F. W. Salmen was chairman, and the said E. F. Halley was the secretary of a meeting of the stockholders of the Slidell Dry Dock and Shipbuilding Company, in Slidell, Louisiana, on the 16th day of September, 1915, and that all of the stockholders of said corporation were present at said meeting, in person or by written proxy.

And said applicants declared that at such meeting of such stockholders a resolution was adopted by the unanimous vote of all the stockholders that Article IV of the Articles of Incorporation of said corporation should be amended, and said Article IV was duly amended so as to read as follows:

ARTICLE IV. The capital stock of this corporation is hereby fixed at the sum of Five Thousand (\$5,000.00) Dollars to be divided into and represented by Fifty (50) shares of stock of the par value of One Hundred (\$100.00) Dollars each. Said stock to be paid for in cash at such time and in such amounts, and after such notice to the subscribers, as may be fixed by the Board of Directors, or the same may be issued at not less than par for labor done or money or property actually received or purchased by the said corporation.

Said corporation to become a going concern and to be authorized to do business as soon as fifty per cent of such capital stock has been subscribed and one-half of such subscription has been actually paid in. All transfers of stock must be made upon the books of the corporation by surrender of the original certificate properly endorsed for cancellation by the stockholder in whose favor such stock certificate is issued or by his duly authorized agent, and upon receipt of said certificate, the secretary shall be authorized to cancel same and issue a new certificate in lieu thereof.

After the said capital stock of Five Thousand Dollars shall have been issued, no holder of any of said stock without the consent of the Board of Directors expressed by formal resolution to that effect, shall sell or dispose of the same to any person not a stockholder in the company, until he shall have offered said stock for sale at the price bona fide offered to him by any non-stockholder, to the Board of Directors of the company, who shall have the right to buy said stock at such offered price, for the benefit of the other stockholders in the company, and to distribute the same pro rata among such stockholders. This clause shall be expressed on the face of every certificate of stock, and the officers of the company shall have no power to transfer on the books of the company any stock disposed of in violation of this provision of the charter.

In case of any increase of the capital stock of the stockholders of record at the time of such increase shall have the preferential right to subscribe at par for any such increase, pro rata to their respective holdings; and that these applicants were authorized and instructed by said stockholders' meeting to execute the proper notarial act amending the charter of said corporation in accordance with the said vote of said stockholders.

And said applicants thereupon declared that the Articles of Incorporation of said Dry Dock and Shipbuilding Company have been duly and legally amended by the vote of the stockholders of said corporation, and they make this declaration, and execute this notarial act in accordance therewith.

This done and signed at my office in Slidell, Louisiana, in the presence of G. V. Wharton, A. D. Carpenter, who sign the same with said applicants and me, Notary, after reading of the whole.

F. W. SALMEN, E. F. HALLEY, WITNESSES: G. V. Wharton, A. D. Carpenter, B. M. MILLER, Notary Public.

I hereby certify the above and foregoing to be a true copy of the original act signed by me on the 16th day of September, A. D., 1915. B. M. MILLER, Notary Public.

I, W. E. Blossman, deputy clerk and ex-officio recorder of St. Tammany parish, La., do hereby certify that the amendment to the charter of the Slidell Dry Dock and Shipbuilding Company was filed for record and recorded in Charter Book No. 1 folio 53, of the records of St. Tammany parish, La., on September 18, 1915.
