Despondency Due to Indigestion.
"About three months ago when I was suffering from indigestion which caused headache and dizzy spells and made me feel tired and despondent, I began taking Chamberlain's Tablets," writes Mrs. Geo. Hon. Macdon, N. Y. "This medicine proved to be the very thing I needed, as one day's treatment relieved me greatly. I used two bottles of Chamberlain's Tablets and they rid me of this trouble." Obtainable everywhere.

TRAVELING MAN'S EXPERIENCE.
"In the summer of 1888 I had a very serious attack of cholera morbus. Two physicians worked over me from 4 a. m. to 6 p. m. without giving me any relief and then told me they did not expect me to live; that I had best telegraph my family. Instead of doing so, I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and take no substitute. I took a double dose according to the directions and went to sleep after the next dose. At five o'clock the next morning I was called by my order and took a train for my next stopping point, a well man but feeling rather shaky from the severity of the attack," writes H. W. Ireland, Louisville, Ky. Obtainable everywhere.

TRESPASS NOTICE
The undersigned forbid all hunting, trapping or trespassing on their lands. Anyone caught doing so will be punished to the full extent of the law.
