

NOTICE TO VOTERS

THE VOTERS of St. Tammany Parish, and of this State, now have the opportunity of electing, as Governor, a man of exceptional ability; one who has made a success of his own business; a friend of the farmers; the man who started the Boys' Corn Club; and who can do more than any other one man to promote the welfare of great State and its citizens. In advocating the candidacy of Hon. John M. Parker we do so with a sense of our duty as citizens of our beloved State, which we wish to see thrive and become one of the foremost of the union.

Do you know that Louisiana has not had a business man as its Governor in many years? Now is the time to elect one by voting for

John M. Parker
