Despondency Due to Indigestion. TRAVELING MAN'S EXPERIENCE.

"About three months ago when I was suffering from indigestion which caused headache and dizzy spells and made me feel tired and despondent, I began taking Chamberlain's Tablets," writes Mrs. Geo. Hon. Macdon, N. Y.

"In the summer of 1888 I had a very serious attack of cholera morbus. Two physicians worked over me from 4 a. m. to 8 p. m. without giving me any relief and then told me they did not expect me to live; that I had best telegraph my family. Instead of doing so, I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and take no substitute. I took a double dose according to the directions and went to sleep after the second dose. At five o'clock the next morning I was called by my order and took a train for my next stopping point, a well man but feeling rather shaky from the severity of the attack," writes H. W. Ireland, Louisville, Ky. Obtainable everywhere.
