At 4:40 of the clock, last Wednesday afternoon, the sea wall contract was signed by Mayor W. U. Davis for the town of Mandeville, and J. L. Black, for the Black, Laird Construction Co., the contractors, in the presence of Congressman Lewis L. Morgan and Mr. P. C. Gilder, attorneys for the town and contractors, respectively, Councilman A. De-pre, Secretary Jas. Hutchinson, Mr. Garland Moise, Dr. A. G. Maylie and a number of interested citizens. Mr. Black stated that he would begin sending over his tools and machinery on Thursday and that he would commence the actual work within ten days. The foregoing needs no comment, for mere words cannot express the local satisfactory feeling existing in connection therewith. Special medical examiners, W. C. Sillson, in charge, assisted by W. B. Taylor of Troop A, 1st La. Squadron U. S. Cavalry, visited Mandeville last Tuesday and examined eleven applicants for enlistment. Of this number only three, viz: Richard Dash, Alton Loustalot and Wm. Rushing, passed the rigid medical examination and left Tuesday for New Orleans thence for Camp Starford at Alexandria or Jackson Barracks to receive equipment and proceed to the Mexican border. Nearly all rejections were because of height. No man over 5 feet 10 inches being taken for cavalry duty. The examiners stated that all the applicants were fine physical specimens and were loath to refuse them, so the rejected applicants need not be disheartened, for if their patriotism has not yet cooled off, the infantry and naval service is still open to them. The many friends of Miss Dorothy Band and her family will be pleased to learn that the former, after an operation for a severe and rare ailment, at Hotel Dieu in New Orleans about two weeks ago, is much improved and the prospects of her ultimate recovery are very bright. Last Wednesday night Lew Rose presented an innovation at the Hip, in the shape of talkies, laughing and dancing motion pictures. This started being entirely new to this portion of the country, the house was packed and Mr. Rose was generously congratulated for introducing this new and novel feature. The Women's Progressive Union were given a benefit at the Hip last Thursday night, consisting of an old time minstrel show in conjunction with the regular moving pictures. The picture was grand and the minstrels, composed of local talent, were the best of that kind ever shown here. The overflowing house fully justified the strenuous efforts made by the participants to please, and that they succeeded goes without saying, an' Lew Rose again came in for many a hearty hand shake. RESOLUTIONS OF RESPECT. Whereas, the Supreme Architect of the Universe has seen fit, in His infinite wisdom, to remove from our midst our beloved brother, Harry R. Warren; And whereas, that while we realize the ways of the Almighty God surpasseth all understanding, and that He doeth all things well, yet we cannot but feel the weight of the affliction that deprives us of the society of our late brother; that while we who knew him so well in our neighborhood feel that in his departure from among the living something has gone out of our own lives that can never be again, the world becomes less and less, and the hope to be reunited with friends who are gone grows more and more, and that there is immediate compensation, which, while it cannot assuage our grief, may teach resignation to the inevitable doom of all things mortal; Therefore, be it resolved, That in the death of our late brother, Harry R. Warren, we realize that we have lost another link from the Fraternal Chain which brings us together, and that a good man and a good Mason has gone from our midst; that his memory will ever be held dear as a member of Covington Lodge No. 188, F. & A. M., and that we deeply sympathize with his bereaved family in their loss, but say that He who tempers the wind to the shorn lamb looks down with infinite compassion upon the widow and fatherless in this their hour of desolation. Be it further resolved, That these resolutions be spread upon the minutes of the Lodge, and a copy thereof be sent to the family of our late brother. J. MONROE SIMMONS, C. V. QUAVE, W. H. KENTZEL, Committee. Attest: E. G. DAVIS, W. M. TO TRADE—A good wagon and plow made for a good milk cow or young heifer. Box 336, Covington.

Why Judge Carter Looked Sorrowful.

We haven't seen Judge Carter since the storm, but we did see him a week or two before the storm, and he looked so perturbed at that time that we formed the idea he knew the storm was coming but would not tell us. On further inquiry, however, we wish to apologize for this thought. We have learned what worried the Judge. The 23d of June was the 21st anniversary of his marriage, and it had been his custom to celebrate his anniversary by presenting Mrs. Carter some pretty present of silver. He could not find just what he wanted in Covington. Of course he felt a little blue about it, until jeweler P. E. Smith told him what he wished could be gotten to Covington from New Orleans in time for him to get back to Franklinton on adjournment of court. Mrs. Carter could probably tell that she found the Judge looking very pleasant.
