SECTION ONE

D. H. MASON, Editor

COVINGTON, LA., SATURDAY, JULY 29, 1916.

VOL. XLII No. 36

## CIVIC PRIDE LOOMS BIG IN PRETTY TOWN, COVINGTON

### Read the List of Volunteers Who Will Work to Restore the Park, Thursday, Aug. 3.

#### PARK DAY WILL SEE ALL LOYAL CITIZENS AT WORK

Men Whose Hands Have Never Known a Callous Spot to Work in Gangs.  
ALL BUSINESS PLACES EVEN BANKS TO CLOSE  
Whistle of Ice Factory Will Sound Time for Work, for Dinner and Knock Off.

There was a combined meeting of committees from the Park Commission, The Association of Commerce and the town council, Tuesday afternoon at 3 o'clock. There were present: Mayor Lacroix, J. H. Warner, H. A. Mackie, D. I. Addison, C. E. Schenberg, L. M. Bourgeois, C. C. Kornfeld, members, and secretary Seller.

L. M. Bourgeois, C. C. Kornfeld, and D. I. Addison were appointed a committee to ask the merchants to close on August 3, 1916, the day being set apart for the restoration of Bogue Falaya Park, and that a list of those agreeing to close be reported.

A. V. Smith, Jasper E. Nilson and H. A. Mackie were appointed a committee to see the ladies about furnishing lunch on the park grounds on that day.

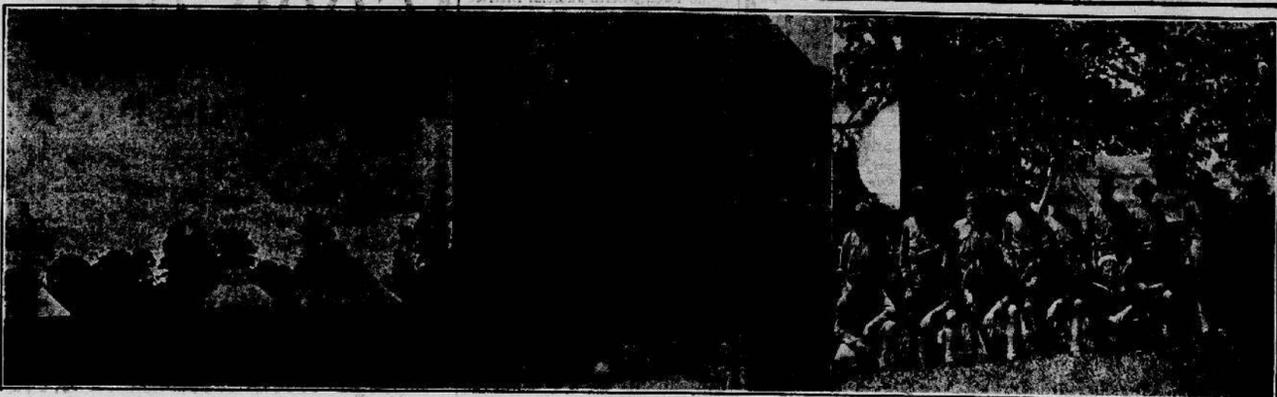

The question of providing the ladies with sheltered accommodations for preparing and serving luncheon was discussed, and it was agreed that proper provision would be made for this.

It was suggested that the St. Tammany Ice and Manufacturing Co. be asked to allow Mr. Barringer to remove the electric wiring from the pavilion, as he understood the work and would be a valuable assistant.

Mr. Charles Jenkins, C. V. Quave, Frank Boudousqui and Pete Barrell were requested to take charge of separate gangs, so that the work could be laid out in a practical and efficient manner and the lumber be saved with as little damage as possible.

Mr. Lawrence M. Bourgeois agreed to bring his team and employees to assist in the work of hauling, etc. He will have fuel tank for them. Mr. Mackie stated that it should be understood that while the people in their patriotism, were giving their labor free to the town, August 3 was to be a work day and not a play day. Everybody must work, and if any got tired or could not stand the work, he was to report immediately to the foreman and be retired. This was for the good of the cause. There was work to be accomplished and it could not be accomplished with men unable or tired to work. Those who did not feel that they were able to do the work might employ substitutes to take their places. Workmen are to be on hand at 8 a. m., if possible.

#### Camp Scenes at Station of First Marine Corps of Louisiana National Guard, Capt. Simpson

The above is taken from scenes photographed by N. H. FitzSimmons. This is the First Marine Corps of the State National Guard, and is the first organized in any of the State troops of the United States. Standing at the tent opening, at the left, Captain S. S. Simpson; right, Lieutenant C. Burgdahl. The squad in the charge of Sergeant A. C. Burgdahl, standing at the left end. The left hand picture is a drill scene of one squad, in command of Lieutenant Burgdahl. There are seventy men in the corps. Corps breaks camp next Sunday at Demourelle's, four miles from Covington where it has been stationed, and leaves for New Orleans.

#### WEDDING OF A POPULAR YOUNG COVINGTON COUPLE

Miss Anna Thomasine Frederick, Daughter of Emile Frederick, of Covington, and H. K. Goodwyn, Machine Operator of St. Tammany Farmer.

The marriage of Mr. Howard Kenner Goodwin and Miss Anna Thomasine Frederick, was quietly celebrated last Wednesday afternoon at 2 p. m., at the home of the bride's father Mr. Emile Frederick, Rev. Jo Koergel of St. Peter's Catholic Church officiating. The house was beautifully decorated with ferns and palms, the bride couple standing under a canopy of bamboo and white ribbons, during the ceremony.

The happy couple who were the recipients of many handsome and costly presents, left on the afternoon train for New Orleans and the Gulf Coast, and on their return will go to housekeeping in one of the Bourgeois bungalows.

The regular dinner will be served for 25 cents. It will consist of Gumbo, rice spaghetti, or red beans, meat bread and butter and coffee. Mrs. Gabriel will prepare the dinner, with the exception of the gumbo, which will be made at the Mackie home and brought over.

Following is a list of those who have consented to close up on Park Day, Thursday, August 3.

Those Who Will Close Up.

Mrs. S. Garcia, Champagne & Duplantis, Herbert Grocery Co., Lawrence M. Bourgeois, C. C. Kornfeld, C. C. McCormack, D. I. Addison, C. P. E. Smith, Geo. A. Ryan, Jos. Federico, Paul J. O. Hendricks, Emil Frederick, Paul J. Laborde, Case Segond, Ben Fontan, N. H. FitzSimmons, H. Bosquet, Hardy H. Smith, W. H. Smith, L. A. Perreand, R. H. Dutch, E. G. Davis, E. R. Moser, H. E. Ostendorf, J. F. Buquol, Mackie Pine Product Co., J. E. Nilson, Ed. J. Menestre, F. P. Marsolan, Jas. Connaughton, Jas. Smith, Iry Champagne, Adam Seiler, E. W. Jones, E. J. LeBlanc, A. Frederick, Aug. Coig, J. Louis Smith, Louis David, Jr., Emile Lacroix, Frank Patecek, Fred Hartley, G. P. Molloy, Schoer and Molloy, J. S. Lambert, Alexius Bros. and Co., Wm. Biery, James Mullally, C. V. Quave, E. V. Richard, H. Warner, Chas. Theobald, E. Theobald, A. Theobald, Wehrli and Theriot, Louis B. Abadie, J. B. Christia, Thos. J. Champagne, Victor Planche, W. N. Patrick, G. Sawaya, C. M. Lazarus, A. Sawaya, Lor. Sur, W. R. Badoon, A. A. Burns, Emil Feys, J. Aouette, Ulysses Depriest, E. Romano, A. LeBlanc, C. Duvoisist, E. E. LeBlanc, L. Rushing, A. J. Planche, A. E. Massman, Paul Herbes, Aug. Verges, St. Tammany Ice and Manufacturing Co., M. P. Planche, Julius Heints, A. Perbes, W. H. Kentzel, A. H. Grimmer, J. H. Lambert, Edward Alpuente, Bernard Commenge, Albert Rochesbau and Son, Harvey E. Ellis, Pinceland Springs Bottling Co.

#### Jahnke Gives Shells For Road to Fair.

Through the efforts of Attorney F. J. Heints, Mr. Jahnke has donated two large loads of shells, to be used on the road leading to the fair grounds. Mr. Jahnke stated that he would make this one car load of gravel and one large of shells, provided the N. O. C. N. would haul the gravel to Covington free of charge. The railroad company was communicated with, and the officials said that the company would be glad to do anything they could for the fair, but it has been decided that shells would be best without gravel unless sharp edge gravel could be used.

#### DISTRIST COURT IN SESSION OF THIS WEEK

Few Civil Cases and a Number of Criminal Cases Are Disposed of.

A Juvenile Court Case Attracts Interest Because of Peculiar Incident.

District Court opened last Monday July 24, with Judge Carter on the bench and District Attorney Brock prosecuting. The following cases were tried:

Civil Cases.

A. L. Bear, tutor ad hoc vs. Theo Dendinger et al.—Injunction on behalf of minors of executory process in case of Theo. Dendinger vs. E. L. Goodbee, which was foreclosure of \$10,000 note by E. L. and A. Y. Goodbee in favor of Theo. Dendinger. Tried by Judge J. B. Lancaster and re-submitted to Judge Carter judgement in favor of minors.

Lacombe Lumber Co., vs. W. A. Hurst—Sale of movable property on open account. Judgement as prayed for.

St. Tammany Bank & Trust Co., vs. P. S. Barrell—Confession of judgement on promissory note. Judgement as prayed for.

Osa Washington vs. Mary Mitchell (colored)—Judgement granted a divorce for.

Criminal Cases.

State vs. S. G. Seal—Violating Sunday law. Plead guilty and fined \$25.00 and costs; in default, 30 days in jail.

State vs. Eddie Wood (colored)—Striking with intent to kill. Plead guilty.

#### A Covington Boy in the U. S. Navy.

Hilton Wharton, who left here some time ago to join the U. S. Navy, writes home that he is kept right busy with routine work required of every man. He is at the Naval Training Station, Great Lakes, Ill., an outline of the day's proceedings may be of interest, as the greatest question of the day seems to be "preparedness" and this is a part of the preliminary work of preparedness. The following is the program each day, as outlined by Mr. Wharton:

- 5:00 a. m. Reville and lock up hammocks.
  - 6:00 a. m. All hands turn to and clean up barracks.
  - 6:45 a. m. Bath and shift to clean clothes.
  - 7:00 a. m. Muster inspection and serve out clothes.
  - 7:10 a. m. Breakfast.
  - 8:15 a. m. Inspection of barge and hammocks.
  - 9:15 a. m. Physical drill.
  - 11:30 a. m. Retreat and air bed ding.
  - 12:00 Dinner.
  - 1:00 p. m. Fall in for inspection of company Commander.
  - 3:15 p. m. Retreat.
  - 3:30 p. m. Swimming exercise until 4:30.
  - 5:30 p. m. Salute colors.
  - 7:15 p. m. Muster and serve out clean clothes.
  - 7:30 p. m. Salute colors.
  - 8:00 p. m. Hit the hay.
- This list set came by Hilton Wharton formerly of Covington, La. but now with the Navy.

#### The Neuhauser Brothers of Slidell

#### A COMPANY THAT IS BUILDING A BIG BUSINESS, KEEPING MONEY HOME, HELPING HOME LABOR

Neuhauser Brothers Ltd. is a firm that is becoming known as a substantial, reliable business concern. Not known simply as a supply house for the home and farm, but internationally known and trusted in the households of this and adjoining parishes, a confidence that has been won by truthful representation and fair dealing during the eleven years of their establishment in business in Slidell, La., in 1905, in which time they have built up a business covering a radius of 100 miles, using as their motto, "Every deal a square deal," and adopting the business principle of carrying out the sentiment of their motto. It has paid them, and you could not get them to adopt any other.

The Neuhausers were originally from Pennsylvania, moving to Tennessee in 1871, where they were educated in the public schools. They were reared on a farm, drawing from their rugged life the characteristic that have made them successful business men.

At 21 years of age U. G. Neuhauser left the farm and entered railroad employment, becoming a telegraph operator and agent for some of the big roads, and subsequently coming to Slidell as agent for the New Orleans and Northeastern and the New Orleans Great Northern. He was appointed postmaster of Slidell in 1912, but gave up this position in 1914, in order to give his entire attention to his rapidly growing business.

A. S. Neuhauser was also with the Northeastern Railroad Company, and afterwards was manager of the Commissary of the Slidell Brick Works in 1905 and U. G. Neuhauser started their present business with a stock of goods invoicing about \$1200.00, in a room covering about 2400 square feet of floor space. The average cost of merchandise now carried is \$37,000.00, requiring a floor space of 15,000 square feet, beside the warehouses. A. S. Neuhauser

#### To Voters of the 26th Judicial District.

Dear Sirs and Friends:—

Owing to certain false rumors that are being circulated, I take this means in laying out my cause before you, in order that you may not be misled by the effect of statements when it becomes necessary for you to consider my candidacy for the office of District Attorney.

It has been said that whilst I hold one office, that I am now seeking another. This is not so, I have resigned, and am no longer representative in the legislature from the parish of St. Tammany.

It has been said that it will cost

#### PARISH CLUBS RALLY TURNS OUT A BIG SUCCESS

Demonstrations and Lectures Give Practical and Profitable Instruction.

EXPERTS FROM L. S. U. ASSIST LOCAL AGENTS

Pictures Used to Show Best Types of Chickens and Chicken Houses.

On Tuesday, July 25th the corn, pig poultry and canning club members met in Covington at the high school building.

The meeting was a great success and is the first one of its kind ever held in St. Tammany parish. The address of welcome was delivered by J. Monroe Simmons, city attorney. Mr. Simmons told the boys and girls and their parents that the future of the parish would depend upon them largely, and the better they were educated and reared to fight the battles of life the more useful men and women they would be. He said the club work was one of education, and for that reason Covington and her people threw arms and homes open to them and wished all a merry good time. Mr. Willie Warner gave the response for all clubs. He spoke of the success he had met with in the club work and asked all to join with him in thanking the people of Covington and the staff from Baton Rouge for helping to get up the first club rally ever held in St. Tammany parish.

Prof. P. L. Gibson then delivered an address on the economical need of the club work in Louisiana. He said one firm he knew of in the state had sold over \$60,000.00 worth of stuff in canned goods, eggs, meats, hay and corn alone, and not a cent of this was put up in Louisiana. This was only one item, as thousands of dollars worth of meat, lard and corn were shipped into the state from the middle west. He insisted on the people joining hands with the young people, because they were trying to stop this flow of money into northern states.

Prof. Hiers gave a splendid lecture on corn culture and seed selection in the class room, and all enjoyed it very much, as well as gaining much valuable information for future crop growing. The life history of the corn plant was taken up and brought out in a way that all understood what they needed to know about soils, fertilizer and corn culture.

Prof. Edson gave a lengthy lecture on poultry care. He drew on the board the best types of poultry houses and explained the proper care of young chicks and method of raising poultry on a commercial scale. The lecture was excellent.

Prof. Gibson gave a one-hour lecture on hog raising crops and a rotation of crops that would enable the farmer to produce pork at 3 cents per pound. Many other valuable points were plainly brought out.

Miss Alice Hickman gave a canning and preserving demonstration on both days, and the ladies and girls enjoyed it exceedingly. There were many home wired at this demonstration and all gained much valuable information.

In the afternoon of the 26th Farm Demonstrator Lewis took three auto loads of farmers and boys who were pig club members out to the farm of Mr. J. H. Warner, where Prof. Gibson gave a hog judging demonstration. This lecture was given in the hog lot with the hogs present in order that the points brought out in the lecture might be pointed out in the hog. The lecture was excellent and much valuable information was gained. It was agreed that the lecture would be long remembered by them. Mrs. Warner served the party with some of her delicious homemade grape juice.

All joined in saying that they had never drank good grape juice before it was GOOD. Mrs. Munday served fresh grapes and they, too, were fine. A number of other lectures were made by the L. S. U. staff and one of Capt. E. E. Lyon All were interesting and were appreciated, but we have not space for a review of them.

All club members and their parents went to the picture show on the evening of the 26th and enjoyed the pictures and slides very much. The show was thrown open to them and it was indeed a treat, for the proprietors will be very handsomely remembered by all.

The slides in the show illustrated the different kinds of poultry and hogs, as well as the care of same. This part was very educational.

The club rally, evening session.
