That this corporation shall be a going concern when Twenty-Five Hundred (\$2,500.00) Dollars of its capital stock is actually paid for in cash. All shares of stock shall be full paid and non-assessable, which capital stock may be increased to a sum not to exceed Twenty-Five Thousand (\$25,000.00) Dollars, in which event, during the period between the call for the meeting for such increase and the meeting, the person holding the stock at the time shall have the right to take shares proportionate to the number of shares owned by them, and any shares not taken at the expiration of said period may be disposed of by the Board of Directors, for the benefit of the corporation at not less than their par value.
