

WEEKLY MARKET BULLETIN.

Issued Every Monday by Harry D. Wilson, Commissioner of Agriculture and Immigration, Bureau of Marketing.

Articles to be listed should be in the office not later than Friday midday.

All patrons of the Bureau of Marketing should bear in mind that the Bureau does not handle any cash transactions and no checks or remittances should be sent to the Bureau. The Bureau's function is simply to get the buyer and seller together and they effect their own transaction. It must be distinctly understood that the Bureau, under no circumstances, assumes any responsibility whatever in any transaction that may be perfected through information furnished by the Bureau. But should the Commissioner know of any one who has made fraudulent transactions, he will drop him or her from his list and make public the names of the parties and the transaction. It is very important that patrons should advise the Bureau whenever a sale is made or you find what you want, as this will save us lots of trouble and worry. Also, please state the quantity you offer or wish.
