PHILIP WERLEIN AND E. O. BRUNER PASS AWAY.

Prominent Men Who Have Been Active in Public Work.

New Orleans, Feb. 22.—Stricken with pneumonia nearly two months ago, Philip Werlein died at his residence, 2228 St. Charles avenue, at 10 o'clock Thursday morning.

With the death of Mr. Werlein the city loses one of its most progressive and enterprising business men, actively identified with every civic movement in the city for the past twenty years.

Mr. Werlein was one of the best known piano men in the United States, long having been head of the Philip Werlein Company, Ltd.

While it was known for some time that Mr. Werlein was seriously ill, the news of his critical condition became public late Wednesday, when police were detailed at the neighborhood of his St. Charles avenue home to caution owners and street cars not to sound their horns or gongs.

59 Years Old, Married and Father of Four. Mr. Werlein was 39 years old on January 5. He was a native of New Orleans. His grandfather founded the famous Werlein company here, now known all over the South, and perhaps the country.

Mr. Werlein married Miss Elizabeth Thomas of Bay City, Mich., and four children were born—three girls and a boy—Betty, Lorraine and Evelyn, and Philip, Jr. With their mother, the children were at the bedside of Mr. Werlein when he died.

A brother and three sisters are Mr. Werlein's other immediate relatives. They are Parham Werlein, Miss Freda Werlein and Mrs. Paul Felder and Mrs. W. E. Huger, all residents of New Orleans. His mother also survives, residing at the residence 5806 St. Charles avenue.

New Orleans, Feb. 22.—E. O. Bruner, 59 years old, and one of the most widely known men in Southwestern Louisiana, who was commissioner of agriculture and immigration of the state from January, 1911, until April, 1916, died suddenly in this city Thursday morning at 1:30 o'clock, of heart failure, at the residence of R. Miles Brooks, 723 Howard avenue, where he and Mrs. Bruner were stopping during the Carnival festivities.

His death came as a shock to everyone who knew him. Apparently in the best of health, Mr. and Mrs. Bruner reached the city last Sunday. They took in all the parades and were having a most enjoyable time. They were out Wednesday night as usual and only after returning to the Brooks home, shortly after 11 o'clock did Mr. Bruner complain of feeling badly. His physician was called and everything possible done to revive him, but the attack was fatal.

OPEN LETTER TO PARISH SUPT. AND FARM DEMONSTRATORS.

(Continued from page 4) One of the features of the work that we desire especially to stress this year is a systematic course of reading to be completed with each club project, under the direction of the Demonstration Agent and the local teacher.

The various contests in corn growing, raising, pig raising and poultry raising, should be educational in their efforts to win the prizes which at best can be won by only a few of the contestants. Let us develop in the mind of each contestant the thought that he should do this work for self improvement and the good that will result to him rather than that of striving only for a prize. With the educational idea strongly in view you can encourage the contestants to make their plans to carry on this work in a practical way for three or four years, and thus make the club organization more or less permanent.

In order to make such a plan more feasible we have arranged to have Mr. John W. Wilkinson, State

FARM LOAN BANK OFFICERS CHOSEN.

T. F. Davis, of Yazoo City, Made President.

Washington, Feb. 1.—Officers and directors of the Federal Land Bank at New Orleans were announced today by the secretary of the treasury as follows: T. F. Davis, Yazoo City, Miss., president and director; Col. W. C. Dufour, New Orleans, vice-president; A. Y. Malone, Dothan, Ala., treasurer and director; C. C. Gaspard, Marksville, La., secretary and director; R. Tyler Goodwyn, Montgomery, Ala., registrar; J. T. Salvage, Hamilton, Miss., director. Realizing that much of the success of the farm loan system depends on the personnel of the individual banks, the Farm Loan Board made every effort to secure the most able officers and directors. In order to be doubly certain of the men, fully a month longer than was expected was taken to make the selections.

Mr. Davis, made president of the New Orleans bank, was born in Camden, S. C., January 16, 1862. His father was an Episcopal minister in Camden. He died when Mr. Davis was three years of age. Mr. Davis' grandfather was the Episcopalian Bishop of South Carolina. Mr. Davis lived in Camden until he was fifteen years of age, when he was sent to the University of the South, at Sewanee, Tenn., where he was graduated in 1881 with the degree of Master of Arts.

HOUSEWIVES OF NEW YORK SAY CHILDREN ARE STARVING.

Ask That One Million Dollars Be Appropriated To Buy Food.

New York, Feb. 21.—After Mayor Mitchell had been informed by East Side housewives today that their children were "starving to death by hundreds," because of the high cost of food, he promised to place before the board of estimates on Friday their plea that \$1,000,000 be appropriated by the city to buy food for distribution at reasonable price.

Police men guarding the city hall today, prevented another demonstration by East Side women intent upon personally calling to the attention of the mayor the situation caused by high food prices. Food rioters to Parade Wall Street and Fifth Avenue. Women of the tenements have planned a series of public demonstrations to convince the mayor and city officials that something must be done to reduce prices. One of the wilder protest meetings the city has ever known broke up early today after making arrangements for a great parade of women and children to march all day through Wall street and at night through Fifth avenue. At Sunday night's mass meeting the following appeal was sent to the President: "We, the housewives of the city of New York, mothers and wives of workmen, desire to call your attention, Mr. President, to the fact that, in the midst of plenty, we and our

families are facing starvation. "The rise in the cost of living has been so great and uncalled for that even now we are compelled to deny ourselves and our children the necessities of life. "We call to you, Mr. President, in this crisis that we are facing to recommend to congress or other authority measures for relief."

WHOLE NATION FACES RIOT.

Chicago Board of Trade Head Sends Warning to Government and the Railroads.

Chicago, Feb. 21.—Pres. J. P. Griffin, of the Chicago Board of Trade, today telegraphed to the Interstate Commerce Commission and to the president of eastern railroads insisting that unless an immediate embargo were placed on all products eastbound out of Chicago except fuel and foodstuffs the country will face the danger of anarchy and rioting. In his telegram to the railroad presidents Mr. Griffin said: "Despite all your assurances no relief has been afforded to move grain and other food products out of Chicago. "The present scarcity of supplies borders on famine in many communities with the consequent inflation of values directly chargeable to the failure of railroads to meet this national emergency. "I request that instructions be issued by you forthwith prohibiting the movement of any freight at this time except foodstuffs, coal and other commodities necessary to sustain human and animal existence. "Unless this is done there is great danger of a riot and anarchy throughout this land. The present situation is largely caused by railroads giving preference to commodities other than those necessary to maintain life. "Failure to meet the situation is squarely up to the railroads. "In his telegram to the interstate commerce commission Mr. Griffin gives a synopsis of the one sent to the railroad presidents and says: "We are confronted with a national emergency. I request in behalf of the people of this country that the commission forthwith issue an order in line with the request that I have made of eastern roads. "A meeting of directors of the Board of Trade, lawyers and traffic experts was held this afternoon to ascertain if legal means can be found to force the railroads and the interstate commerce commission to clear up the situation, particularly as it affects Chicago."

FOOD TRAINS TO BE RUSHED.

New York, Feb. 21.—According to railroad officials, efficiency experts are at work on behalf of virtually all the trunk lines, particularly at Chicago, Detroit, Buffalo, Cleveland, Pittsburgh and other points where the freight congestion is most serious, endeavoring to make it possible for food trains to be rushed to New York.

NO REAL SUGAR SHORTAGE.

New York, Feb. 21.—Earl D. Babst, president of the American Sugar Refining Company, has issued a statement urging that "housewives should pay no attention to unfounded stories as to shortage of sugar," and asserting that there were ample supplies of raw sugar on hand to care for normal consumption.
