Many a towering business success owes its first strides to the little modest want ad, timidly bidding for customers. Your little business may be helped to success in the same way. Mail ads are the "Bargain Counter" of newspaper space, and you should have your share of the benefits.

Auto-Intoxication Causes Death Do you know why you have sick headache, diabetes, neuralgia, rheumatism and liver or kidney troubles? It's because you are being poisoned by products of your own body. Your organs of elimination are not working properly. Waste material that should be thrown out is being retained to poison and intoxicate your system. That could not happen if the bowels were kept open with Granger Liver Regulator. This splendid preparation is purely vegetable and non-alcoholic. Demand Granger Liver Regulator at your drug store—25c a box—and take no other. There is nothing "just as good." CHRONIC CONSTIPATION. It is by no means an easy matter to cure this disease, but it can be done in most instances by taking Chamberlain's Tablets and complying with the plain printed instructions that accompany each package. For sale by City Drug Store.

Keep Well Do not allow the poisons of undigested food to accumulate in your bowels, where they are absorbed into your system, indigestion, constipation, headache, bad blood, and numerous other troubles are bound to follow. Keep your system clean, as thousands of others do, by taking an occasional dose of the old, reliable, vegetable, family liver medicine. Theodor's

Black-Draught Mrs. W. F. Pickle, of Rising Fawn, La., writes: "We have used Theodor's Black-Draught as a family medicine. My mother-in-law could not take calomel as it seemed too strong for her, so she used Black-Draught as a mild laxative and liver regulator. We use it in the family and believe it is the best medicine for the liver made." Try it. Insist on the genuine—Theodor's. 25c a package. E-75

PEOPLE SPEAK WELL OF CHAMBERLAIN'S TABLETS "I have been selling Chamberlain's Tablets about two years and heard such good reports from my customers that I concluded to give them a trial myself, and can say that I do not believe there is another preparation of the kind equal to them." writes G. A. McBride, Headford, Ont. If you are troubled with indigestion or constipation give them a trial. They will do you good. Sold by City Drug Store.

More property is sold through classified advertising every year than is sold through agents. Compare the cost of a want ad with the customary commission charged. The agent has many properties amor to divide his selling efforts. A want ad finds the party who wants your property in a few days.

CHAMBERLAIN'S COUGH REMEDY THE MOST RELIABLE. After many years' experience in the use of it and other cough medicines, there are many who prefer Chamberlain's to any other. Mrs. A. C. Kirstein, Greenville, Ill., writes "Chamberlain's Cough Remedy has been used in my mother's home and mine for years, and we always found it a quick cure for colds and bronchial troubles. We find it to be the most reliable cough medicine we have used." FOR A WEAK STOMACH. As a general rule all you need to do is adopt a diet suited to your age and to keep your bowels regular. When you feel that you have eaten too much and when constipated, take one of Chamberlain's Tablets.

PRIORITY ORDER ISSUED ABOUT CARS. Editor St. Tammany Farmer: Dear Sir:—I am handing you here with copy of priority order No. 2, issued by Mr. Robert S. Lovett, on authority of the United States Government. As this is a matter of interest to all of your readers you will, no doubt, wish to make some mention of it in your columns. Yours truly, M. J. McMAHON, Traffic Manager. Priority Order No. 2. Whereas by Act of Congress entitled "An Act to amend the Act to regulate commerce, as amended, and for other purposes," approved Aug. 10, 1917, it is provided that during the continuance of the war in which the United States is now engaged, the President of the United States is authorized, if he finds it necessary for the national defense and security, to direct that such traffic or such shipments of commodities as, in his judgment, may be essential to the national defense and security shall have preference or priority in transportation by any common carrier by railroad, water, or otherwise; and Whereas by virtue of the power conferred upon him by said Act, the President has designated the undersigned as the person through whom the orders and directions authorized by said Act shall be given; and Whereas it has been made to appear and the President through the undersigned, finds that open top cars (other than flat cars and cars assigned to work service) suitable for the transportation of coal, coke, ore, limestone, sugar beets, sugar cane, sorghum cane, and raw materials for use in the metal, sugar and fertilizer industries, and other commodities necessary to the national defense and security are being utilized in the transportation of the less essential commodities and articles hereinafter specified to such an extent as materially to interfere with the transportation of the aforesaid commodities required in the prosecution of the present war, and that it is necessary for the national defense and security that priority should be accorded coal, coke, ore, limestone, sugar beets, sugar cane, sorghum cane, and raw materials for use in the metal, sugar and fertilizer industries and other commodities required in the national defense and security, in the use of such cars over the commodities and articles hereinafter mentioned: Now, therefore, by reason of the premises the undersigned, in the name of the President, orders and directs that, on and after the first day of November, 1917, and until further order of the undersigned, all common carriers by railroad in the United States in the distribution of open top cars, other than flat cars, and in the transportation of freight in such cars shall deny the use of open top freight cars other than flat cars to shipments of the following commodities and articles, except in the shipments for the United States Government, viz: 1. Materials and supplies, other than coal, for the construction, maintenance, or repair of public or private highways, roadways, streets or sidewalks. 2. Materials and supplies, other than coal, for the construction, maintenance, or repair of theatres or other buildings or structures to be used for amusement purposes. 3. Materials and supplies, other than coal, for the manufacture of pleasure vehicles, furniture or musical instruments. 4. Passenger vehicles, furniture and musical instruments. Which articles the undersigned finds are not essential to the national defense and security. In witness whereof and by virtue of the aforesaid Act of Congress and the order of the President of the United States, I hereunto sign my name this twenty-second day of October, 1917. (Signed) ROBERT S. LOVETT.
