BEST REMEDY FOR WHOOPING COUGH.

'Last winter when my little boy had the whooping cough I gave him Chamberlain's Cough Remedy,' writes Mrs. J. B. Roberts, East St. Louis, Ill. This remedy is also good for colds and croup. -Adv.

Recognizing the urgent need for overseas workers under the banner of the Army Young Men's Christian Association, Gov. Hobby, of Texas, has issued the following statement to his people urging able-bodied men above draft age and under fifty years to volunteer their services to this cause.

'My attention has been called by representatives of the War Work Council of the Young Men's Christian Association, who were my guests last week, to the pressing need for men in France, which need has been expressed through General Pershing and Ambassador Sharpe. It gives me great pleasure to lend my influence and support to this worthy organization in its attempt to meet this demand. In addition to the regular work of the association, which demands men specially trained for religious, educational and athletic work, General Pershing has turned over to this organization the entire canteen business for the American Expeditionary Forces. This action of General Pershing has increased tremendously the need for men, and general all-round business men. I am anxious that Texas shall do her part in sending men who are equipped to do this service. It offers a splendid opportunity for those who are anxious to serve the country in this critical time but who are kept out of the army on account of the age limit. No men are taken for this service who are under 31 years of age or over 50. They must be men of good character, men who are thoroughly sympathetic with the war aims of the Nation, and men who are willing to serve co-operatively with the organization overseas.

'Because I am not able to attend the matter myself, I have asked Thomas W. Currie, 2200 Guadalupe street, Austin, Texas, if he will not act as my personal representative to receive all correspondence from those who are interested in offering themselves for this service. It is my frank judgment that there are hundreds of men prominent in business affairs of importance in this State who ought to offer themselves immediately for this branch of the service.'

AN OLD MAN'S STOMACH. As we grow older and less active, less and less food is required to meet the demands of our bodies. If too much is habitual taken, the stomach will rebel. When a man reaches the advanced age of 85 or 90, you will find that he is a light eater. He as a rule eats less than he used to, and will occasionally eat more than you should and will feel the need of Chamberlain's Tablets to correct the disorder. These tablets do not contain pepper, but strengthen the stomach and enable it to perform its functions naturally. They also cause a gentle movement of the bowels.

ROAD TO HAPPINESS.

Be amiable, cheerful and good natured and you are much more likely to be happy. You will find this difficult, if not impossible, however, when you are constantly troubled with constipation. Take Chamberlain's Tablets and get rid of that and it will be easy. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

STRONG EVIDENCE.

Backache is often kidney ache; A common warning of serious kidney ills. 'A Stitch in Time Saves Nine'—Don't delay—use Doana Kidney Pills.

Profit by the experience of Mrs. A. R. Lanier, 2305 Jefferson Avenue. She says: 'I was having all sorts of misery with my back. I didn't dare make a sudden turn, for when I did, knife-like pains shot across my kidneys. I had nervous headaches and at times I thought my head would burst. My kidney's didn't act right and I was in pretty bad shape. I began using Doan's Kidney Pills and they helped me immediately. Two boxes affected a cure in my case and I haven't had a return of the trouble since.'

Price 60c, at all druggists. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lanier had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. -Adv.

The Food Administration is doing all it can to find a market for the record potato crop, so that the farmers will not be discouraged from continued production and so that the people will get the full benefit of the food raised. General Goethals declared it impractical and impossible to grant the Louisiana request to the government to buy all its potatoes at \$1.50 per hundred pounds for cantonment and army use. The army system is to call for bids, it put a liberal home supply of potatoes on its list of rations, and it awarded contracts very recently on the basis of from 75c to \$1.00 per hundred pounds. Under the circumstances, he could not see how the system could be disrupted, a special exception made in favor of a single Louisiana crop and the government bind itself to pay higher for a supply than it had already contracted for. Nevertheless, the Food Administration and other government agencies are convinced that they have done a great deal for the Louisiana crop and that the farmers will fare better than have those in other state who produced potatoes. The fall crop is about out of the way, and the new Northern crop will not come in for some time, and Louisiana will have a clear field and market for some six weeks or so, with prices already steady. The New Orleans plan, in which the retail grocers distributed direct to the consumers, letting all the money go to the farmers, had the effect of stabilizing the potato price and has brightened the outlook in every way.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts Like Dynamite On a Sluggish Liver and You Lose a Day's Work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can't salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless. Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

The farmers of northern Louisiana are in need of men to assist in harvesting the crop. The office of the Farm Labor Emergency Bureau, Frank A. Crippin, Director, State House, Baton Rouge, is being supplied with requests for these men and with all information pertaining to housing conditions and wages paid. All applicants for work will be furnished with this information before they are sent to any particular farmer, and the Department is anxious to obtain at once as many yetters of application as possible throughout Louisiana. Not only men are accepted, but there is a great need of boys from sixteen to twenty-one. Their welfare will be looked after by the Department and they will be guaranteed fair wages.

This is war work. Food will win the war, and food will be wasted unless men and boys answer the call to assist in harvesting. This is also an opportunity to engage in a real, useful occupation and be of material assistance to this government in winning the war. Letters of application should be sent direct to Frank A. Crippin, Director, State House, Baton Rouge, Louisiana.

WOMEN TORTURED!

Suffer Terribly With Corns Because of High Heels, But Why Care Now. Women wear high heels which buckle up their toes and they suffer terribly from corns. Women then proceed to trim these pests, seeking relief, but they hardly realize the terrible danger from infection, says a Cincinnati authority. Corns can easily be lifted out with the fingers if you will get from any drug store a quarter of an ounce of a drug called freezone. This is sufficient to remove every hard or soft corn or callus from one's feet. You simply apply a few drops directly upon the tender, aching corn or callus. The soreness is relieved at once and soon the entire corn or callus, root and all, lifts out without one particle of pain.

This freezone is a sticky substance which dries in a moment. It just shrivels up the corn without inflaming or even irritating the surrounding tissue or skin. Tell your wife about this. -Adv.

Buy W.S.S. War Savings Stamps. are a tangible proof of the carrying out of your pledge. Everybody should sacrifice, if necessary, to buy them. Agree that you will save so much each month and put it into War-Savings Stamps. You will get it all back with 4% compound interest in 1923. Take the pledge today. This space is donated by New Orleans Banks. I will buy all the War Savings Stamps I can.

SOME GOOD ADVICE. 'Don't think too much of your own methods. Watch other people's ways and learn from them.' This is good advice, especially when bilious or constipated. You will find many people who use Chamberlain's Tablets for these ailments with the best results, and will do well to follow their example. -Adv.

FOR A WEAK STOMACH. As a general rule all you need to do is adopt a diet suited to your age and to keep your bowels regular. When you feel that you have eaten too much and when constipated, take one of Chamberlain's Tablets. GET RID OF YOUR RHEUMATISM. Now is the time to get rid of your rheumatism.
