SENTIMENT OF THE PEOPLE TOO STRONG TO ALLOW ANY BLACKERS IN THE W. S. S. DRIVE.

There never was a man strong enough to override public sentiment. In peace, this attempt is always followed by humiliation. In times of war it means not only humiliation, but ostracism and contempt—the living of a life compared to which solitary confinement is a Garden of Eden. Most men prefer to die rather than face such a condition. The criminal in his cell may have the love of his family and the fidelity of true friends, but the man who loves money better than his country, who is willing to let the soldier hustle for himself without food and clothing, who puts the profits of war-made business in his pocket and will not share in any of the adversities of war, will face the withering contempt of the soldiers who return after the war and the widows and orphans who will be with us. He will suffer all the tortures of a Benedict Arnold, but instead of being unknown in a foreign land he will be out in the open light of recognition where every finger may point at him. This is not the overdrawn imagery of enthusiasm. If any one believes so, let him look into the faces of the masses who gather around the speaker who is talking of the war. Watch when the applause deafens the ear and when hisses and stern countenances recall the resentment and brutal instincts dormant in the human body, the madness that kills and drags limb from body—the brute that is in us all when reason is drowned by the flood of impetuous indignation that swallows up all thought except the dominating peak that caps even self interest—watch these faces and ask yourself if you would like to be a profiteer with blood money laid up in bank while your soldiers cry for food and clothing and arms to fight with.

This drive will bring out more money than people thought St. Tammany parish could dig up under any circumstance. At a little committee meeting preliminary to the drive, held in Covington, \$42,000 was contributed by twenty people for their business and families. There will be a few people who will not be able to take more than \$5.00 worth of stamps, and these people may be just as patriotic as those who took \$1000. It is not the amount you give that shows your patriotism; it is whether you are willing to go the limit. If you can go the \$1000 limit, then your patriotism is not unlimited unless you do that. If your limit is fifty cents, and you give that, then your patriotism is 100 per cent. But don't be deceived into believing that you can fool the people. If you are able to give more and do not do so, the people will judge you as a slacker and a profiteer, and even if you have invested a neat little sum in stamps, your failure to do your whole duty will not allow you to hold your head high and feel that you can breathe the air of freedom in the pride of full performed duty—that you can shake the hand of the soldier and the soldier's widow as one who has helped to fight the battle like a true soldier and patriot.

Delicious "Fruit Laxative" Can't Harm Tender Little Stomach, Liver and Bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups. —Adv.

On the 4th of July Nazamova in Revelation

A lot of folks don't know the war is going on! The Gulf Division, American Red Cross, frequently reports from persons in remote sections of Louisiana, Mississippi or Alabama asking details of the Big Scrap. For instance, the Bureau of Nursing, now enrolling 1000 nurses for the Red Cross, contributes this from "Mrs. S. K. S." of Courtland, Ala.: "Now, I would like some information. Who are our allies and what is their flag. We don't know any enemy flag when we see one. I wrote the war dep. but could get no answer on the subject. please give me this information."

Mrs. S. D. Graham, clubwoman of New Orleans, on her return from a speaking tour in the second Red Cross war fund drive, told of a Louisiana farmer who didn't know the war was on. When the situation was explained, he exclaimed: "Lordy, I had three Germans I killed 'em easy as not!"

ELMER E. LYON,
Superintendent.

The responsibility for the success of the War Savings drive does not lie with the state director, nor with the divisional and parish directors. It is the individual citizens, all the way down to the child who can subscribe 25 cents, that will make success or failure. In this campaign the people must realize that the war is serious and costs money and that every citizen must buy all the stamps he can up to \$1000, even if he does without some of the things the soldier boys in France are not getting. Certainly everybody will do something to help.

THE SPEAKING CAMPAIGN IN THE BIG JUNE DRIVE.

The speaking campaign in the Big June Drive for the sale of \$37,000,000 worth of War Savings Stamps, will be in charge of a committee with Major W. L. Hughes, chairman; ex-Governor L. E. Hall, vice chairman, and T. H. Tracy, executive chairman. There are to be speakers provided in each parish, to speak in theatres, lodges, school houses, churches and other centers. Special speakers will be arranged for June 28 for one general meeting in each community.

For the past eight months Mr. Tracy has been speaking all over the South for the government in the campaigns for Liberty Bonds, Council of Defense and shipping labor. Prior to coming to New Orleans he was president of the Manufacturers' Association of Southern California. He now resides permanently in New Orleans.

THRIFT WILL WIN THE WAR.

President Wilson said, "I suppose not many fortunate by-products can come out of the war, but if the country can learn something about saving out of the war, it will be worth the cost of it in money and resources."

That thrift idea you've had in mind to practice in the dim and distant future—it's just the thing for thrift day. Start something—get action—that's what thrift day is for.

War times have made every day a thrift day in America. Open an account with us, if it hasn't been done.

A SAFE TEST.

For those who are in need of a remedy for kidney troubles and backache, it is a good plan to try Doan's Kidney Pills. They are strongly recommended by Covington people.

Joseph H. Jagot, Twenty-fifth avenue and Madison street, Covington, says: "For a number of years I have seldom been without a box of Doan's Kidney Pills in my home, for they have proven to be a most dependable medicine. I was a police captain for about thirty-five years in the city of New Orleans and I attribute being exposed to all kinds of weather as the cause of my trouble. I suffered intense pains through the small of my back and down into my hips and a sudden start caused my back to twinge. My kidneys were badly disordered and annoyed me a good deal. I was fortunate enough to learn of Doan's Kidney Pills and they helped me as soon as I began using them. When I have had such ailments since, Doan's have never failed to bring the same good results."

CALOMEL DYNAMITES A SLUGGISH LIVER.

Crushes Into Sour Bile, Making You Sick and You Lose a Day's Work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crushes into it, causing cramping and nausea. If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it. Adv.
